

CONTINUING IMPROVEMENTS ARE TRANSFORMING COURT PERFORMANCE

Courts are more able to build capacity through experienced local trainers conducting sustainable judicial development across the region.

“PJDP has played a major role in improving our Judiciary system. It has kindly provided funds to enable us to ... implement projects in improving Justice in our country ... and to empower court officers to improve our services.”

Court officer & National Coordinator

84% of court actors report that courts are managing their development more effectively

69 local activities independently designed and delivered by PJDP-certified trainers
