Hi! It was so lovely to speak with you!

Suggestions

1. Speaking events to be held as close to each State's Parliament House steps as possible
This will require permission from the relevant Local Council in each State (apart from Federal Parliament, which likely has separate rules.
 2. Ideally, you'll have a meeting with MPs inside each State Parliament House prior to your event, then see how many will walk down the steps with you to the event. Claire Chandler and I, via our contacts can help you find MPs. Honestly, that one media shot will put you at the top of every media news program that night.
 3. Also ideally, you'll also get each of these State MPs to present a submission to Parliament in the same week. This will also build media interest.
 4. For each physical event, you'll need Public Liability Insurance, security guards, sound systems and very likely a truck stage too- unless you want to just stand on a box of some sort- that's your 'brand' almost, so perfectly fine if you do that instead :D (I always arrange for a St John's ambulance to be present just in case but up to you).
- FUNDRAISING FOR YOU: I've set up a PO Box, and my two eldest children are excited to help. We've researched the cost of Prepaid Parcel Post for items under 5kg, about the size of an A4 piece of paper, which guarantee delivery Australia wide in two or more business days. The cost is \$94.55 per 10 pack. So that's basically a flat \$10 delivery fee from within Australia. That's reasonable and people will pay it, especially if- as part of our special fundraiser, they get a couple of stickers too. And we all want PINS!!! Pins are less conspicuous so please send us pins to sell!! I just need to work out how to sell the items- would it be via your page?

Let me know next steps x
