Hiya.

I've just had a chat to Kellie Jay about the venue for the Melbourne event and she wants me to talk to you about it. Probably easier over the phone.

Could you please give me a buzz tomorrow after 11 or over the weekend?

2 FEB 2023 AT 22:10

Sure 😊 I've got induction tomorrow but I'll be free in the afternoon 😊

The working group thinks State Library is a better place for our event regarding accessibility Etc (i tend to agree) but how would we get KJ from the meet & greet at Parliament to the Library? It seems like we have to stay at PH or TRAs will stop her from attending her own event. Or could you have the meet & greet at the Library?

4 FEB 2023 AT 15:35

I can't book the library 🙄 and they won't go there as it's not private.

4 FEB 2023 AT 21:14

Fair enough. I'm just trying to keep everyone happy! 😏
We just have to get HUNDREDS of people to make Parliament work.

Yeah. I'll support whatever you do x but to make a political ripple I think we need 100s no matter where. But the good thing is, Melbourne isn't first. So we can build momentum on the back of the others too.

5 FEB 2023 AT 07:34

It kind of has to be parliament. Your offer to arrange meetings with Kellie-Jay is too important. And how amazing will it look with her coming out of PH saying "I've just met with some politicians who are listening to women!" 😊❤️

5 FEB 2023 AT 10:23

Ok great 😊 I'll book a meeting room for them all to drop in & listen

Hi! Ok so I've organised sound and security but they want the name & phone number of the police liaison officer for the event. I'll have the parliament office space organised by tomorrow x

Anything else I can help with?

12 MAR 2023 AT 15:23

[REDACTED] 😊

An after event venue? We have booked a table for an invite only gathering but we would prefer a private room if you know of one. For about 20ish.

We can go inside parliament for afterwards x safer x

Ok what's the police officer's name?

Senior Sargent Ben McGibbon

Senior Sargent Ben McGibbon from PORT.

Great ta.

So should I cancel the bar? The women intending to come after are from the working group but we haven't invited everyone. Women who will not act silly around KJ. Plus Kath.

Will they need a full meal? I can provide drinks & nibbles but not full catering

If that's ok then yes, cancel the pub

And I will actually need a list of names for security but obviously I'll never release them

Drinks & nibble ↓ fine. We can go to the pub for dinner.

And we are all set! Just hoping for a good turn out!!

I think there will be at least a couple of hundred. Hopefully more.

Do you know when the press releases to Vic media are going out?

I'm feeling a little guilty for excluding some of the women in the working group from the after event but I think a good impression of us TERFs for any media or other VIPs you can muster is important. I hope someone has invited Rita Pahani !! 😊

Kellie Jay has a press release. We just need a list of all the Media and individual journalists in Melbourne. I'll make a few calls and see if I can get my hands on one.

Thanks because I have media contacts

Roz Ward and Grace Hill are the names of two women who are some of the organisers of the counter demonstrations. Also a revolting guy called Chris Johnson or Johnstone who started the petition to keep her out of the country.

Ah. I know some of them. Roz Ward and I go way back lol. Thanks

I can give you a pile of them on Thursday if you want to do a last minute mail out or letter drop.

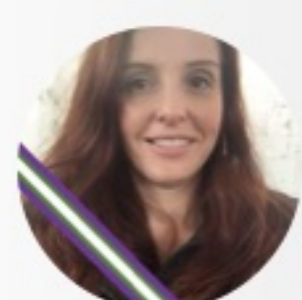

So many women coming to this event who have never been to a "protest"

We spoke to a Nat Party politicians dad last night at Q&A and gave her a flier. She recognised our t-shirts & was nodding in approval of our heckling.

I'm down with a migraine tonight. You're awesome.

Knives in my back.

Luckily I have support from
women who've been through it,

It's not just the betrayal but that they are putting all of our safety at risk. Especially Kellie-Jay. The police said he was relieved there is an after event at parliament so he didn't have to worry so much about after the event.

15 MAR 2023 AT 13:15

A woman I know heard what was happening in our group from a woman in Ballarat who has no involvement with SFW. They have not taken any responsibility for the women in their group doing what they are doing in SFW to their own group.

Hope that makes sense! 😊

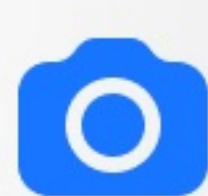

Oh wow it sounds complicated.
What a shame

It only takes one person with loose lips to undermine everything.

It's just so sad

Can everyone commit to pitching in \$30 for the bar tab?

I'll pay food & private room hire.

Parliament told me at 4:45 today. Sigh
