Rest In Peace Queen Elizabeth II.

Our thoughts are with her family and all who loved her.

Now Australia must move forward.

We need Treaty with First Nations people, and we need to become a Republic.

@AdamBandt you're a clown of the highest order and a human of the lowest form. Given you hate our nation so profoundly, I would encourage you to take a hike out of Australia and don't look back. I think the nation would join me in celebrating your departure.
