After the event I was informed that these masked men had in fact mounted Parliament House steps outside of our view on the other end and performed a Nazi salute, and that members of the SFW group asked the police to make them leave, but were informed that the Police had no powers to move them on due to Labor's removal of those powers.

The Let Women Speak event saw several women injured by the extreme left counter protestors who infiltrated the event. I was assaulted and injured, along with multiple other women, including one who was taken to hospital after being knocked unconscious. They also became violent with police and punched police horses, forcing the event to finish early. I condemn their actions, and call on others to condemn this violence against peaceful women.

I also condemn of the actions of the masked men in black who were later identified as Neo-Nazis, who gate-crashed the Let Women Speak event. Most of the LWS supporters did not realise who they were until they were being escorted out by Victoria Police, when they did the despicable Nazi salute.

I completely reject the beliefs of National Socialists (Nazis) and I have seen first-hand the impact that the Holocaust had on a family member. None of those organising the event had any involvement with these men, as has been confirmed by Victoria Police, the Australian Jewish Association and all the organisers themselves.

If Daniel Andrews had not repealed the 'move on' laws, they could have been removed. The 'move on' laws need to be strengthened and I also welcome moves to ban the Nazi salute.

And I hope that the concerns of women and girls will finally be deemed worthy of attention.
