When **Maira** Deeming was suspended by the parliamentary Liberal Party in March she committed to supporting the leadership team and working with her colleagues to win Government in 2026.

It is now clear that Ms Deeming has breached this commitment and her conduct is bringing discredit to the parliamentary party. Hence we will be moving a motion at a party room meeting next Friday to expel her from the parliamentary Liberal Party.

I remain firmly committed to leading a united and inclusive Liberal Party that will continue to take the fight up to the tired, corrupt and incompetent Andrews Government.

Our focus is on winning the 2026 election so we can make Victoria the best state in Australia. Victorians deserve nothing less and those who aren't focused on that goal won't have a place in our team.
