Morning Moira, see you're in the chamber so text best. Broadly, do you have any comment on the emails obtained under FOI and released by Sex Work Law Reform overnight? And more specifically, one of them (Doc 50) appears to suggest you have \$100,000 in donations lined up from one source, and a special printing deal if pre-selected by the Liberal Party, in breach of the electoral laws of a \$4,320 limit per donor per term. Let me know if you've any comment. Cheers, Shannon Deery (Herald Sun)

That is clearly not accurate. You need to be careful. They've changed the names & numbers of documents & haven't got full threads.

Exactly why I'm coming to you!

Well now you know

Did you want to comment? I'm happy to actually work with you but if not we'll just go ahead without comment. I don't think there can be any misunderstanding about the single document which I am referring to, document 50.

I'll leave it with you. Cheers.

Send me the document

Did you notice the word "we" in there? No single donation, no breach of laws. This has already been open & shut.

You are being used.

Moira I am not being anything. These documents have dropped online overnight and myself and journalists from every media org are reading them. I am seeking comment from you, in an effort to work with you rather than merely roll out the same yarn that has been written about you so many times before. Enjoy your day.

Well I appreciate that. Always happy to comment but this particular story has quite literally already been opened & shut.

Apologies if my tone was short. If you truly are a genuine & fair journo then I will speak with you. I haven't been impressed with many of your Colleagues so far. Especially because this particular document dump is so curated and manipulated.

Would be very keen on your thoughts re Dan's tweets today. Dog whistling I'd have thought. The Nazis were a separate group who crashed the protest, he's made them sound all like the same person.

Thanks, I agree.

I am so distressed that nobody is listening to or addressing the concerns of women.

Nobody endorsed those Nazis

We all condemned them. But nobody listened to what the women actually said

I was assaulted & another woman was knocked unconscious.

Have you got a copy of the press release you sent last week. The link above won't work. I might write a column on this tomorrow. Cheers

Could I get a copy of your statement please.

And who were the other MPs there?
