They're coming to my hotel  
at 11:30, is that right?

9:50 AM

More like 11.15 I'm the driver

How are you? Can I bring  
you anything ?

9:57 AM

With security?

9:57 AM

Yes of course- 2 of them,  
we'll pick you up fro@ your  
foot & drop you back in the  
same way :)

Door! Not foot lol

9:58 AM

That's very early for me to  
get to an event. My calendar  
has crashed!! I usually get to  
an event with minutes to  
spare. The reason is the  
crowd get worse when I'm  
there

9:58 AM

If there's somewhere unseen  
for me to be that's great

9:59 AM

If timing is an issue I can get  
a taxi with security

10:05 AM

I've spoken to Claire. I'll see  
you at 11:15

10:33 AM

It's not

Things are going well!
