Hi Moira

Thanks so much for getting in touch – I'm still up, watching the live stream from Brisbane!

I would be SO grateful if you could pay for security, we will reimburse you - but we really only need 4 hours – would Monjon revise their quote? And can we confirm that they will collect KJK from her hotel prior to the event and take her on to (hotel? Bar with organisers?) afterwards?

Thank you so much for your help – I can't believe you have managed to take time out of your schedule to sort this out!!

With kind regards,

Claire W.

Hi Claire

I've paid for the Sound. Did you want me to cover the security and then you reimburse me?
Let me know asap and I'll pay it now x

If you have a mobile number I could liaise with you on that would help!

Kind Regards,

Moira Deeming MP

Dear Angie,

We haven't spoken before but I understand you are kindly helping to organise the LWS event in Melbourne. I thought I would forward this email to you for information. Again, if there's anything that I can help with, please give me a shout.

With kind regards,

Dear Moira,

I'm just finalising arrangements for the events and I would love to ask you for some help if possible please.

Security:

I'm really sorry that your original quotes for security didn't reach me at first – they went to an email address to which I don't have access and KJK has recently sent them on, so I'm a bit behind with this.

- Re the invoice from Monjon – I'm assuming that they don't offer a four hour option? Not sure if it's worth asking.
- Is it possible to confirm and pay for security now please? Kellie-Jay's preferred method is if someone local could pay the invoice and she could re-imburse using Paypal. Would that be possible?

- Also, we had a situation this morning in another location where the security that had been booked didn't have the correct licences. I'm sure given your status as an MP, the company you have suggested will have the appropriate licence but I thought I should mention it!

Audio:

- The original quote from Red Pulse was a lot higher than the other locations. I now understand that you expect the event itself to be significantly bigger than other events, which explains the issue! Again, is it possible to book and pay for this, as above?

Thank you so much for all your research and help with this. If there's anything you would like me to take care of, please let me know.

With kind regards,

Claire Webb
