Hi Moira

It is Peta Credlin. I did my best to try and defend you and I will give it another go tomorrow.

Chin up, I suspect it is very hard at the moment but wishing you the best

Thank you I so appreciate it x I'll send you the "evidence brief" if you like. It's pathetic

I have it. It is incredibly thin and merely built off Kellie K's erroneous Wiki page. Other than the fact you were there and so was she, there is nothing he specially has in it that could justify explosion. It is the most serious act someone takes against another MP. What's there are claims against Kellie not you and even then, much of what's said about her would be a defamation risk.

20/03/2023 10:05:12 PM

Exactly. I asked her about the barbie picture

"Leftie women called me Nazi Barbie. As a humorous response I found a photo of a barbie in a uniform."

I am going hard any again on this rally issue tonight. You might want to listen at 6pm. It goes without saying if you want to come on my show at any time, you have an open invitation.

You do realise that the motion circulated against you and now public is, in my legal view, highly defamatory?

Yes. It's going to ruin my life

And my children's lives

To be tainted like this

You need a legal letter sent to them before the ballot. It is terrify them. They know if it went to court you will be able to get access to every email and every text message that's been sent and THAT more than anything would panic them.

22/03/2023 7:18:14 PM

I've been told if I do that everyone will turn against me :(

John has said he doesn't want to reconcile. When should I send the letter?

23/03/2023 12:13:16 PM

Hi Peta, they don't want to work with me. So I'm taking your advice.

I've been speaking to a lawyer & he asked whether or not I can prove that Pesutto's office gave that brief of evidence to any media. You asked for it, and I'm wondering if he gave it to you?

Yes but I did not pass it anywhere. Someone gave it to the Australian clearly. But even just speaking to the brief as he did on Mitchell and my show is enough to make a very strong case. Can you take a call now?

23/03/2023 1:47:21 PM

I can take it in 5 mins

Free now if you are

23/03/2023 3:36:14 PM

David Southwick has his staffer sitting outside my office to watch who goes in and out & to intimidate me

I will keep notes of all of this stuff so we can put it on the record in our chat on Monday. If you keep shooting me through texts as things happen, I will keep a log of them and we can agree what you want to raise with me on the day. I have told my boss in confidence that you will do an exclusive IV with me and he has started working up a good place for us to film privately at Sky on Monday. I told him I don't know the time of anything yet as they haven't had the courtesy to tell you but when you know, you will let me know. I would recommend after the vote, you issue your written statement and don't say anything on radio or TV until your IV with me runs that night (6pm). That way you get a clean way to get your message out, rather than an attacking press conference where you end up just responding to the media pack, rather than getting a line up.

Perfect

That's them outside my office.

Evan, Jess & Groth don't want to vote against me because they know it's wrong but they don't want a leadership spill.

Heath is brokering a new alliance of new MPs who want a change of culture so we aren't all forced to do these things along factional lines & because of relationship issues that occurred before our time

David Hodgett wants to speak with me.

Meeting on Monday is 10am

I get to speak.

Got it.

Just had a Clarke come & do a welfare check. I told her I'm not ok at all & I'm being bullied and it's awful.

Earlier Georgie texted to asked if I was coming to chambers, I said no I'm unwell. She came to my door and asked if I was well I said no

Hodgett came & said my career will be over if I lose the vote & ppl will think I'm the bigger person if I resign.

I said I disagree it would be the end of my career.

Everyone was negotiating a peaceful back pedal but then Bach & Davis did a doorstep saying the vote is on, no compromise.

I find the bullying extreme. This shows they are terrified of this whatever way the vote goes.

It is. I'm so shocked.

They've just tried to report me for a possible breach of parliamentary security

But I have an email thread showing I asked & received permission

They are so desperate to find dirt

It's relentless

No, yes, soft

They are really worried.

So these are the soft? Surely some of these can be turned?

Yes

Hopefully

Or away

My staffers are printing my support emails

OMG

You should post that on your insta and I will share and so will Rita P

Ok :)

Done

25/03/2023 3:00:09 PM

Not sure if you have listened to this podcast but a former PM who is very popular with the base is in your corner. He's also posted this to his instagram page.

I'm in Sydney tonight for the NSW election coverage but back tomorrow. How is your draft statement coming along?

We will be ready to do interview anytime from 11am. Just on stand by and that's fine. Will you organise for a staffer to drive you over to Sky so you can get out of the Parliament House building easily?

I have x I think I need to work out with you that I can do an interview but I can't blow up the Liberal party..

I don't want to blow up the party either. We can craft it carefully in that you respectfully put a few things on the record and send a message to the base

Ok that sounds great x but I've been asked by feds not to do anything until after the Aston by election. If you can get them to agree & understand it's not going to make it worse it will be ok

25/03/2023 6:16:56 PM

What is this new info JP is talking about? And is he allowed to expel me for different things than given in the first motion? He's changing his case to fit the goal of expelling me!

I haven't seen anything. Where is it reported?

I've just realised it was your original interview with JP & my friend thought it was tonight x sorry!

26/03/2023 9:29:33 AM

So I have had a think about your concern re interview tomorrow. Here's my thoughts.

I am not interested in damaging our changes in Aston as it would damage Dutton and he's a mate of mine.

That said, a sober interview with me isn't about blowing up Aston. It would instead focus on you being able to get your key messages up (it was about standing up for women and girls, you have got enormous support with Lib base for which you are grateful, and you are not going anywhere etc).

If you don't do an interview, you are the only one silenced because Pesutto will do a doorstep and his voice will prevail. I will still do an interview next week with you but the media cycle will have moved on and your position will run on Sky but unlikely anywhere else. And you end up defined by what happens tomorrow in the party room and how Pesutto frames it (and his office and colleagues against you brief on background to journalists). I can guarantee you that people like James Newberry won't respect Aston - he will go after you.

If it was me, I would do an interview and get my voice in the mix at the time everyone is running the Deeming party room story rather than be defined by Pesutto. I would be careful in what I said, along lines of above, but when we spoke you were like that anyway.

NSW election shows when the Libs try and become a pale imitation of Labor they get thrown out.

26/03/2023 2:58:10 PM

Off record I just emailed you my letter appealing to the other MPs

Just got told JP left me off the invite to the meeting on Monday

You better be quick it'll get leaked soon

Have you given it to the media?

Just you but pls don't say it's from me

It will leak but I don't want to leak it unless you want me to do it. I have read it through and I feel that tone is too apologetic. Your only "crime" was not perhaps being careful enough in checking people out but nothing more. I'm especially concerned about the 9th paragraph.

I assume you are still going to Mondays meeting?

Yes I'm going. It's to show they never had any intention of doing anything but expelling me.

I was reasonable. And I had already over the previous months asked repeatedly for advice & got none

I found out they are trying to frame me as belligerent. Anyway I'm free for a call

It proves it was never about Nazism too. And that this really is about women's rights- which they've framed as not belonging in a mainstream party

I'm resolute about my positions, but they can't say I wasn't flexible in options for how to pursue it

26/03/2023 10:06:39 PM

The feds have begged me to wait to give you my exclusive so I will. But I'll not say a single word to anyone else in between. And if you still want it you can have it, I'm so sorry to mess you around. I didn't realise the feds would want that until they reached out

26/03/2023 11:34:17 PM

I don't think it is going to impact Aston and if it will, damage already done with Pesutto targeting you over defending women. That said, like you, I don't want to bloodnose Dutton in any way. I would just ask that you confirm this after the meeting tomorrow and we talk on phone. What worries me is that if you are expelled, they will control the narrative, they will all speak on camera and nothing will be said to frame it from your side of things. A week later, and yes while I will still do the interview, will be too late to substantially contest that they've said. I will put crew on hold, we'll talk after the meeting and whatever you want to do, I will accept.

Yes will still want the exclusive a week later in any event.

Good luck tomorrow. Just speak from the heart. Stand tall. Stare them down. You are right. Sending you prayers x P

Thank you x I'll call you afterwards x

27/03/2023 12:19:05 PM

Sky is reporting that meeting has finished and you have left the room. Call when you can

I can call in 10. I need to hold off on the interview but I'll give you everything, my speech the blow by blow

27/03/2023 3:17:12 PM

Ok I'm holding off for now. But the exclusive is still yours after Aston. Plus you can have my speech which nobody else has

Ok. I understand. I don't want to push you in any way. Can we agree to do it Monday? And yes can you pls send me the lawyers letter from this morning and the speech pls?

I want to use both to defend you tonight

Can you pls send me your speech pls.

and legal letter

I will run out of time to write them up that's all

More has happened

Can you please send the speech.

I am on a massive deadline

Moiria I need the speech please. I cannot do it justice if you don't send through asap

Email address again? I can't find my laptop

Can you get a transcript from Sky of Pesutto's conference?

chasing one now

Thanks

pocket dial

Liked "pocket dial "

JP is allowed to run a whole narrative but I'm getting slammed for a couple of tweets & treated like I'm the difficult one

I know but that's what I said if he talks and you don't. I'm confident though that good people in the media will pick up your speech. I read slabs tonight and Abbott said just now with me that you should not even be suspended.

27/03/2023 9:01:20 PM

So how is it doing the right thing over Aston that you are silent and Pesutto did six interview this arvo including a lengthy one on Tom Elliot 3AW drive and then - the ABC's 7.30 Report????

Exactly. And he keeps getting caught in lies. I've told ppl to tell the feds I'm done. Nobody is to ask me to fix up any more of his messes. If they want me to keep silent they need to make him be silent.

How did the story go tonight?

Huge response. You have enormous support. Did you get your statement as promised?

I argued for hours. I stormed out once. And I'm not publishing it anywhere lol. I'll send it to you but they had to put it out themselves lol

Final copy below, are you ok for us to send this out to media on your behalf?

Monday 27 March 2023

Statement from Moira Deeming MP

I have accepted that my attendance at the Let Women Speak event on the steps of the Victorian Parliament on Saturday 18 March may have been an error of judgement.

I accept the suspension given to me by my colleagues.

As I have stated, I unreservedly condemn the poor taste Nazi jokes and Nazi analogies listed in the annex of evidence against me.

I believe I am innocent of all imputations and accusations of any connection whatsoever with Nazism in any shape or form and any bigotry whatsoever toward the LGBTQI+ community.

As I always have, I will continue to support the many diverse communities in Victoria.

I have repeatedly and consistently condemned these heinous views, and I reiterate my condemnation of these views in the strongest possible terms.

I support John Pesutto and the leadership team and look forward to working with them into the future to win government in 2026.

So this doesn't mean much I hate to say because they need to say it not you. And you should reference your uncle here too. That's powerful.

Are THEY doing a statement as promised?

I think it is a mistake to let him speak on this and frame you

I'm moving to defamation

Once Aston is done I can work out a strategy. Honestly I'm degraded & traumatised and I need a break

I understand. I really do. I was there after Abbott was removed so get it. Do an interview with me on Monday next week and we get your messages up and then have a break. I think you need to be on the record in your own voice somewhere before you go quiet. I will go after this again tomorrow.

I'll have to be careful not to blow up the Libs & get booted

I am a 30 yr member too. I don't want to get booted either.

Loved "I am a 30 yr member too. I don't want to get booted either."

I'll need your advice on how to best frame it

Thanks so much for everything x it was nice to be able to get your help & advice & empathy x

We will work it up question by question. We need you to survive this. You will lead the party one day.

Thanks x not interested in leading at all. But I'd sure appreciate having a good leader to back!

28/03/2023 5:51:50 PM

Neil Mitchell wants to use your speech tomorrow based on what I said last night. I suspect he wants to go into bat for you. Are you happy for him to use it?

28/03/2023 7:29:22 PM

I guess so if you think he won't be awful with it. It's been difficult to have had to lay myself bare like that.

I've been telling everyone else no so that you had the exclusive x

5/04/2023 3:49:25 PM

So the Libs have deactivated my Liberal page as well as taking me off the parliamentary team list...

And removed me from the upper house coalition group chats

That's outrageous. You're suspended not expelled. Have you sent an email to Mirabella?

Not yet. I've asked my secretary to email the Lib HQ to ask why. I'll now be sitting on the crossbench.

I asked the Clarks to label me as 'Independent Liberal' unless the Libs complain

My office will be moved.

But technically it's like a promotion, I get to ask questions as though I'm a shadow minister lol

So Kim Wells has taken me under his wing- he's been instrumental in supporting me from the beginning. It will make things a lot easier for me if he can be made to feel comfortable with me giving you the in depth exclusive (which I plan on doing anyway- but long term it is smart to have him on board). I get back to Melbourne late at night on 12th. But it would be good to plan the interview & get him supportive of it. Any ideas? Do you know him?

I actually spoke to him yesterday about something non related. What if I call him and discuss? What if I also assure him that we can all discuss and agree questions beforehand? I do not want to damage you or the party or me in anyway?

Loved "I actually spoke to him yesterday about something non related. What if I call him and discuss? What if I also assure him that we can all discuss and agree questions beforehand? I do not want to damage you or the party or me in anyway?"

Perfect

Then we can get it done ASAP. I have thousands of supporter emails to respond to, and I'm going to do it through my generic www.moiradeemingmp.com

I was hoping to send my interview with you in my first mass email :)

So let's aim for the 13th or, we can film later that week anyway, and then air on the Monday. I don't want to air on Friday as that's the dead zone. Let me call Kim tomorrow and then report back to you as a starting point. We will be able to package up the interview for you to put up on the website etc.

Ok sounds good.

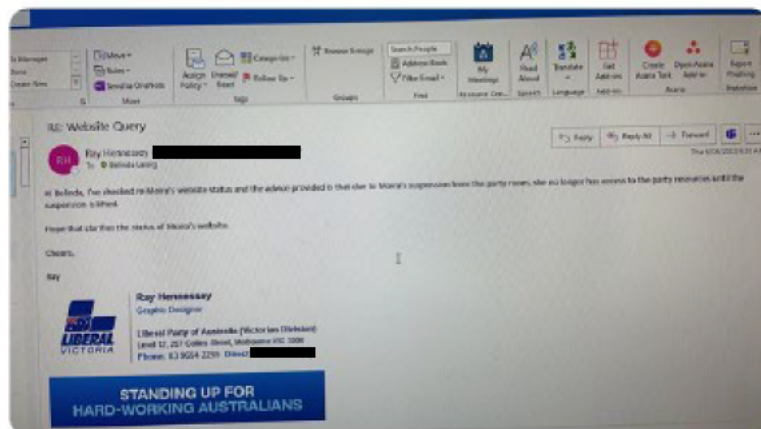

I might be exhausted on 13th!

I know. Let's aim for the Friday and we hold it over to air on the Monday. That way you're at your best.

Ok perfect I'll keep Friday clear. Putting it in my diary now. Just really really want Kim on board!

Loved "I know. Let's aim for the Friday and we hold it over to air on the Monday. That way you're at your best."

6/04/2023 2:26:44 PM

8/04/2023 2:44:05 PM

I've spoken to Kim Wells & talked him into it. I told him I'll just be firm about the Liberal Party being where I belong, and try to talk about our principles etc. He's worried you'll blow up my career, I've assured him you won't & so he's keen to help with questions. From my perspective I think the worst thing you could ask me is if I support John's leadership or if I'm going to sue them, because the answers are no and yes and I obviously don't want to be accused of underlying them. You had a Lib woman on your show a while back, she was strongly implying I had some secret extreme right agenda- you could ask me about that if you like too. But I'm keen to hear what kinds of things you'd be wanting to cover in general so I can about how to be wise in answering.

10/04/2023 9:34:22 AM

I will give Kim a ring tomorrow - don't want to bother him over easter and try and assure him this will be a very friendly interview. I am happy to draft up some questions and pass to you, you can then add anything else you want in case there's something you want to say and I haven't covered it. I promise you I am not interested in doing anything that would put you in a difficult position or the party or me. This is just about you being able to speak to your supporters and party members more broadly, to hear from you directly and for you to be able to thank them, in part, for stand-ing by your side.

Awsome x and yes, sorry for bothering you over Easter x

Not at all

Loved "Not at all"

10/04/2023 4:22:25 PM

I just wanted you to know that I feel nothing but gratitude, and I trust you- I'm just letting you know about Kim's concerns x

10/04/2023 7:21:44 PM

And you'll know better than me how to run a good interview x

11/04/2023 12:30:14 PM

Sorry to keep bothering you. But what time do you think we will film on Friday? I'm sorting out babysitting & hairdresser lol.

From 3 is best for me x

Let's say 3pm then.

Great :) thank you so much again for everything you've done for me. I feel like you saved me. I just found out the Leadership are trying to alter the minutes & suspension criteria, trying to say there's 'confusion'. I've emailed twice asking for a copy of them and had no reply. Of course I already have a real copy- had it right afterwards- plus other ppl kept notes that corroborate. But it will be good to read the 3 suspension items out on your program. This will end up being such a huge saga. I'm happy to follow your lead in interview. Will it be at the Melbourne Sky studios?

We will do that so we make it as concreted as we can. Yes at Sky (L10, Herald and Weekly Times building in Southbank). We can organise hair and makeup. Leave that with me. Arrive at 3pm and we will do interview at 4pm. I will work up some questions and email them to you today or tomorrow morning for your comment. I want you to be 100% happy with every question. Think about adding in any questions you want to asked to get up a point you want to make too.

11/04/2023 2:34:42 PM

Ok sounds great!! Thank you :)

12/04/2023 1:47:20 PM

For Friday I have got a hair and make up person organised for you so just come with clean hair and she will style it as you like it and do your make up. She is very good so I know you will be happy.

Come at 3pm for hair and make-up and we will film at 4pm. I'm working on questions now and will send to you on email today. I have also left a message for Kim so I can assure him we will protect you.

The Sky studio is level 10, Herald and Weekly Times building, 30 City Road Southbank. There's paid parking underneath or if you come via uber, just get out at The Langham and walk up the steps to our building.

Call if any issues and we will collect you from reception.

Just wear whatever you would wear in the parliament chamber. I will probably have a dress on or a jacket.

Any queries just sing out

Good morning Peta

I haven't received the questions yet? I want to help the interview come across as not too scripted so general lines of enquiry are ok with me. I trust you. I'm meeting with Kim at 1pm today. Do you think you will have something by then? If you want you can send them to my personal email [REDACTED]

I just had a chat with Kim. He says wait until after you've both had your meeting and then we work up questions which I am fine with.

Ok.

13/04/2023 2:32:29 PM

I'm on another call but I will call you back shortly.

Ok

:)

We can chat tomorrow morning if that's better?

see email. will buzz you shortly

14/04/2023 10:30:34 AM

Email notes for today are being sent to you right now from Cooper one of my producers. Please take suggestions on board. Any issues call me but please do not forward these questions to anyone. We would be criticised for helping you and I don't want that for either of us.

No worries, no I won't not even Kik

Kim

Many thanks

The only other narrative against me that I'd like to address is that I'm some kind of right wing extremist taking the party into unelectable territory. I do not want to mention Bernie Finn or Renee at all. My views on abortion are that there's no social mandate to end it, so prolifeers need to focus on offering support & I could never support any prolife law that sent women to jail. I've just tried not to speak about it, But ppl treat me like I'm Bernie Finn

And ppl accuse me of supporting 'conversion therapy' because just like I think no physically unnecessary surgeries should be conducted on intersex minors, I hold the same standard for all minors.

But if you think it's a bad idea to touch on those it's ok- but the line being run is also that 'far right' issue which is ironic because I come from Labor & my values haven't changed.

I agree with you that you are characterised as Bernie so let me think how we tackle this because we want to do so carefully. We can talk while you're getting hair etc done

Hi Peta, thank you again for your amazing support. I'm really excited to learn from you. Also I'm dying to know if JP's office responded to your queries about the joint statement & exoneration...! Also, is there any chance your media team could email me a clip of our interview for me to put on social media-they could send it just after it airs tomorrow night? And also because I want to use it my first mass email to the supporters.

Nothing from JP. Yes to a clip - absolutely. It is still being turned into an interview in Syd. I haven't seen it yet. Only the trailer and I've just put that on my insta which you can share if you would like

Ok great thank you :)

I've just seen the final edit. It looks very good. My team will email to you as soon as it starts so you can flick it to your supporters or post. If you need a shorter version just tell them what you need. Will send you full interview

Thank you so much x I've heard they're getting ready to expel me over this interview...

Just advise from me - let this interview stand and be absorbed. Don't add to it and don't rush out to do or say anything. Let it sink in and get shared by supporters. No other media will be as generous. Most want your scalp.

Yes I feel the same. Thank you. But tbh I've never seen myself be so inarticulate lol

JP attacked Renee Heath

2/05/2023 6:08:59 PM

Kim doesn't know how you got Renee's email just FYI

He might. He kept asking me if I had it. I didn't confirm any source. Never have. Only ever ruled sources out eg Heath as I did tonight.

Ok great

2/05/2023 10:26:22 PM

Loved your section tonight x

3/05/2023 1:04:41 PM

So Kim & I have told Leadership if minutes are not finalised by today I'm pulling out of negotiations. It's been 6 weeks of defamation. Tony Abbott even told me he'd sue if it were him

3/05/2023 4:48:56 PM

Understood.

I saw a report just now from Simon Love our reporter where Andrews targeted Pesutto over his treatment of Renee in question time yesterday.

He's in real trouble with colleagues but suspect you know that.

He would be smart to get this sorted ASAP and off the table. He's bleeding on it.

I've given leadership until tomorrow before Question time to have reached an agreed exoneration statement or I'll consider that JP has failed to honour the suspension arrangement & I'll challenge it officially, demand re-entry into the party room & instruct my lawyers to send the defamation law suit.

I think that's where it is at. Have you been crystal clear with them?

Yes

Brutally

And Kim is supportive

If it blows up you will need a statement etc and happy to look at anything before issued. If you want to get a. line up on TV safely that everyone just runs then you come on anytime. I just hope it doesn't come to that

Thank you that would be great. I'm still in shock it's come to this

He just won't stop

4/05/2023 9:02:38 AM

I thought about what you said & so I put it in writing

Will go through it carefully when back from gym'

It's just to the leadership I've sent to put the deadline in writing, not a statement up public, I'll need your help with that. Sorry if I misunderstood

So what you have sent to me on email - has that gone to leadership yet?
And if not, do you need me to clear ASAP?

I have sent that it's just for your info not urgent. But if they refuse to do the right thing, then I'll need help with a statement & public plan etc

There are no surprises for them in that email it's basic going over what was said & putting in writing

4/05/2023 11:03:23 AM

This is just us not Kim. So what's happening?

Can I call?

4/05/2023 2:43:27 PM

See email

Editing now

Have you got anything back from the Leader's office after the 2pm deadline? Where is Kim on all of this now?

None. DS told me this morning that they were pulling out of mediation

Because I put a deadline on after almost two months

4/05/2023 4:39:56 PM

My husband is very political (former fed director for 14 years). He says do not pull trigger on any legal action. Makes it hard for colleagues to support you and it could be grounds to expel you. Just threaten it and sit on it is my view. Your letter is good - it asks for support and second party room decision

Ok will do thank you

David Blythe.vcf

This is a lawyer friend who I was wondering if you could speak to re my case?

I'm getting so much conflicting advice!

<https://www.heraldsun.com.au/news/victoria/moria-deeming-set-to-challenge-party-room-suspension/news-story/4e8e1961c0aca9c2fbd5af325bca2265>

Deeming plans legal action as Libs' infighting heats up

This on website right now. See my point? Legal can be a threat but do not action it. They want to trip you up.

4/05/2023 6:31:09 PM

JP is trying to get me booted from the party via emergency admin meeting tonight

On what grounds??? You need to make sure people know you have not launched legal proceedings.

Some clause about pre and post election period or something

Ok can you say it live?

This will be the only way they can get you. Can you authorise me right now to say you have not launched legal proceedings.

Yes

You are talking to lawyers. That's fine but you have not formally initiated anything.

Yes

That's what I will say

And I told Kim I had 12 months & wasn't in a hurry

And that my lawyer is helping make a legal case for a re do if the meeting

Which is true

Not a lawsuit

Suggest you put that in writing to president. make sure they know you are trying to resolve. internally

got it.

So the meeting is not confirmed just strong rumour

It has not been launched

Done my best

Thank you x

You must advise president in writing that you have not launched legal proceedings. That your first priority remains that what's as agreed to, is delivered.

I sent him a text

Is that enough?

Yes for the moment but suggest you draft a letter and copy him what you sent colleagues this afternoon.

Mark to his attention as Party President.

Suing the party is what they will try to expel you over and that's why you have to avoid formally launching anything

I was never suing the party. Ok great

I know but as I said to you today that was what was being briefed and the line in your letter to JP had something about initiating proceedings or something like that and that is what is causing you problems tonight

Yes understand x

If I'm not going to sue then I need to make a statement that saves face & quickly. Abbott just told me not to sue. Everything is in motion. I don't know how to media manage it

I will call in 5

Kim Wells is trying again apparently with Southwick today

Mr Simon Love Sky Melb Reporter .vcf

That's what I sent to Simon Love

Off record

Ok. That's fine. Keep your head down and don't talk to media. Hopefully there will a final push from Kim so we can draw a line under this for you

x

Kim could kill it off completely by publicly backing the deal he made for me in that room when I entrusted myself to him.

Good point. Have you said that to him?

Yes.

5/05/2023 9:37:02 PM

Sent you an email

5/05/2023 10:38:37 PM

Liked "Sent you an email "

Ppl think I should put out a statement to preempt their motion?

Can I call?

6/05/2023 7:56:47 AM

Let's talk at 9am. I can't see anything extra but more gossip. But we need to work through things carefully.

Ok x

6/05/2023 8:58:25 AM

Is Peta. Pls call me

I'm in car on laptop ready when you are

not far away

I am worried they will issue something first. I am sitting by my computer.

Sent

See email. I think that's the best draft and I would get it up on socials asap

6/05/2023 2:03:53 PM

They're still moving an expulsion

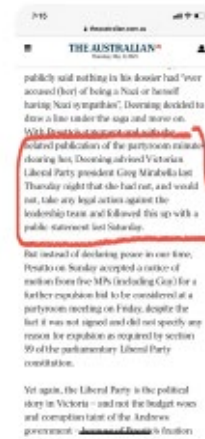

Apparently

Where is that?

6/05/2023 5:49:27 PM

I have seen it. Chin up. Don't say anything. Your statement has been well received. He now looks desperate.

11/05/2023 7:16:14 AM

I very carefully only wrote against the party

This is not accurate, can you edit it online?

Yea I can. Will do.

Should be fixed now.

Loved "Should be fixed now."

13/05/2023 9:33:48 AM

Leaving city now If camera guy or photographer get there, they can set up if you're happy with that but don't let them take their pictures because I want to make sure we're happy it before I agree it.

hey Moira, please send me a point CV just a major milestones of your life. You know when you're starting uni when you're finished uni what degree you got then you went into teaching first teaching job get married etc. That will just help me enormously. If you can just stick it in the email I can then get this made into a timeline for the paper tomorrow. Thank you

I used to volunteer with that Aunt almost every Saturday at Sacred Heart Mission. I learned about homelessness, drug addiction etc & living on Grey St I learned about issues impacting sex workers etc, I volunteered as a teacher for a trip to support an orphanage & visit women's prisons (I gave an impromptu speech that was apparently so moving that they had someone write it down & send it to all the women's prisons).

Also we took in a Vietnamese Asylum seeker to live with us at the end of 2014. Manh, was his name. We helped him through cancer & are still friends. I don't usually talk about all this because it would break my heart if he ever thought we did it for public virtue signalling points.

I've emailed my old CV for Libs for timeline.

The line they are running is that it was me that caused this, it was me dragging this issue out & it's me that committed the unforgivable act of team disloyalty by wanting to bring in a legal mediator. That's the narrative I need to destroy

Liked "The line they are running is that it was me that c..."

Just emailed you a summary Hubby wrote, with links

pls flick to lawyer. I must file in 15 mins so they can edit etc.

Yeah it's fine

Sorry missed the text x

Love it

I might send you part of the concerns notice to show you exactly what I have evidence for, because there's nothing in it I don't have a paper trail for. Just for you to have in general. But also, let me know how best to prep for Thursday, if you want me to chat with producer etc x

15/06/2023 9:40:37 PM

Apparently JP will be rolled soon

I hope so. Challenge will be who follows him and will they be better? Who are they talking about?

They are trying to do it before Roskam arrives because they know he'll take the leadership

That's why the bastards are trying to do everything to keep him from winning Warrantdyte !

Yep

Also someone else reached out to ask what could save Pesutto. I said refer to my to concerns notices

In effect, nothing.

Because he won't do what's right.

Apparently some ppl on admin want me to agree to stay out of party room until my case is over even if JP is rolled. I said no. I know they don't want me inside to vote for Roskam

Well I said I won't say it's just that I'm on crossbench unless JP is also in crossbench until case is iver

Over

Even sleazy David Van got due process but not me

You are absolutely right!

I had decided to wait until after the by election to serve my third concerns notice on JP, for benefit of the party & Roskam should he win preselection.

Ppl are saying it's not just a preselection for a seat but to save the Libs

To give us a real leader

Anyway. You're amazing & I'm grateful to you x just keeping you in the loop x
