You know Posie Parker used a barbie doll with a nazi arm patch for a profile pic on spinster, right? She's a white supremacist. Pieing is also a form of political protest that was historically used by LGBTQ activists against Anita Bryant in 1977.

Trans Activist @Esqueer\_ actively encouraging the assault of @StandingforXX at her event in Oregon. It makes me sick to know how violent antifa and these activists are.

Anita Bryant getting pied in the face. Her public image never recovered after this and she became a bitter old woman languishing in obscurity while the LGBTQ rights she fought so hard against won out.

 I assume this Chloe said the same, or similar, when Keen/Parker called for men with guns to go to women's toilets to 'protect' women.

 You know she does stuff like this just to piss people like you off and to point out the hypocrisy of trans ideology. You're falling for it, hook, line and sinker. 😏

 It's okay to pie a Nazi.  
 It's also the least violent act one can do.  
 It's like squirting someone with a water gun.  
 No harm done. It's hella annoying to them though.  
 Any inconvenience is hella annoying to them, they never experienced oppression so it's the closest thing they get.
