4/05/2023 12:01:23 PM

Hi moira  
Hope you're well. Wondering if I'd be able to speak to you on camera in regards to your email to John

Hi Simon, no sorry. I'm really trying to give them a chance. It's been weeks & weeks. I'm emotionally exhausted

I'm not gleeful about it at all

Understood. Let me know if you change your mind

Just so I'm clear you want him to issue joint statement by 2pm clearing you from being neo nazi sympathiser and let you back in party .. or you'll instruct lawyers?

4/05/2023 2:00:59 PM

Did you get anything from JP

Off record he's refused to negotiate

Can I report sky news understands his office has refused to negotiate on the demands mate

Made\*

Yes but not from me

Thanks

4/05/2023 4:02:06 PM

Are you able to forward me your email to colleagues and confirm you're launching legal proceedings

On air in 10 mins so just wanted to tell the news then

5/05/2023 1:31:50 PM

Hey Simon, saw your interview last night. Happy to give you some background info

I haven't initiated legal proceedings.

Thank you Moira appreciate it.  
Do you intend to soon/ today?

No I'm not in a hurry. Ppl have asked me to negotiate again so I am

Liked "No I'm not in a hurry. Ppl have asked me to negotiate again so I am"

I just want a resolution

I was never going to sue the party

Just present a legal case to help reset the meeting.

I needed to draw the line in the sand for my own benefit. Either they were going to honour their word or not. Now I know- they never had any intention of honouring the agreement they were only ever playing for time to double cross me. It gave me closure so I could stop wasting my time & pivot to look at my other options. They've also rejected a re do of the meeting now. So at least I know, no matter what other actions I may choose to take in the future, that I exhausted every possible peaceful & internal option available.

Have you heard if they're trying to circulate an expulsion motion for a meeting next week

Well I'm sure they are. But that would only free me utterly to go after JP

So that will be ironic

8/05/2023 8:15:20 AM

Morning Moira  
Hope you're well  
Just wanted to get in touch for accuracy and find out if you intend to be at the party room meeting scheduled to consider this motion against you?  
Thanks  
Simon

Haven't decided

Ok would you mind keeping me posted?

Sure

8/05/2023 10:09:48 AM

Thanks Moira

8/05/2023 1:50:50 PM

We're running a story at 2.20pm featuring two of the motion movers and party leadership on camera. Do you have any response or wish to speak on zoom/camera to respond?

No not really thanks though.

11/05/2023 4:10:52 PM

You've launched papers on JP?

11/05/2023 5:26:59 PM

Hi moira can you please call me asap

I'm sorry I can't comment

Understood.  
Can you tell me off record which court it's filed with

And or who could provide doc to me

Honestly I thought you all had it

Nope I don't have it so was asking you for help.  
And also wondering if your plan is still not to go to meeting

12/05/2023 12:02:54 AM

Hmmm. It's not unreasonable up defend myself from unfounded, unrelenting personal attack.

12/05/2023 7:51:59 AM

Thank you. Entirely predictable. I've spoken to my lawyer. He doesn't want me to make a statement until after I get official notice. So I've told everyone the parl door stop is off. Apologies

Ok thanks. So when do you think you'll get notice

Who knows. I still don't have my suspension notification fixation officially lol

Ugh autocorrect sorry

Ok

I'll be free to talk after Tuesday when I've used my parliamentary privilege.

Ok so you're planning a statement to parl Tuesday

Unofficially yes. Or it might end up being Wednesday

12/05/2023 2:28:21 PM

off record for you to confirm There was a motion at the last meeting which collapsed over the dispute regarding the minutes which said that Kim, Renee & Leadership to sit together and sort minutes (and unofficially with Moira too).

Then today when the meeting began there were two sets of minutes laid on the table, which neither Renee Heath or Kim Wells had seen before, in breach of the previous agreed to motion.

John said that he'd decided to take over the issue.

John's version of the minutes from the 21st were not very controversial and passed easily.

John's version of the minutes from the 27th (expulsion motion/suspension meeting) did not match previous proposed minutes and were contested by many in the room. They passed, but many abstained and many voted against.

Point one appeared to match Renee's version.

Point two changed the wording from to a 'jointly agreed and put out by Moira alone statement'. (Evidence exists to disprove this entirely).

Point three was wrong as well. Nick McGowan raised points on third point.

Apparently, the talk in the room was all about how Moira put a deadline on the negotiations and threatened to 'sue' John as grounds.

Thanks

And have you received notice of motion carried to expel yet?

No. I mean I never even received anything about the last one

Delivered

12/05/2023 4:08:10 PM

Any further response from you?

Just about to go off air

5/09/2023 9:26:53 AM

5/09/2023 6:46:54 PM

How did it go today

Well I just read about it in Deery's article so they must have leaked

Hah. They reckon they haven't leaked

Hmmm. Well it wasn't me. That's interesting.

1/02/2024 1:44:37 PM

Hey just because journo's are asking me- i will definitely not be attending the hearing in person tomorrow & please spread the word that nobody should bother coming to my home. My children were traumatised by the last round of media stalking so to make sure nobody does that to my children I'll be at Parliament House.

Ok thanks  
What time is hearing

9:30am, JP's lawyer is on holiday despite knowing of the date since last year- they wanted to delay but we said no- so he's joining online.

Sue will be there in person

Thanks. Will she arrive soon before?

Sorry I've got no idea about her movements

No worries. Thanks Moira

Oh my freaking goodness

I must go and have a listen

1/02/2024 6:34:19 PM

Sm I missing something? Isn't it better to have actors than real patients when there are cameras?

Probably the point is that the minister wasn't aware  
And tv and general media as far as I'm aware wasn't invited on the day.  
Probably only the local paper

Ah ok. Thanks. I bet JP found out & is out to get Richard

Now that's a theory!

Chat tomorrow. Keep me posted on how you think case playing out.

Apparently Riordan's wife is connected to the hospital & it's not unusual for this in lieu of real patients because it's inappropriate & a power imbalance to ask them to consent to political visits

And so this will eventually blow back on Richard which is what JP wanted all along

That's the theory don't know if it's true

Thanks / yeah was Aware of the Richard wife connection
