PRESS RELEASE  
MOIRA DEEMING  
LIBERAL MP – WESTERN METROPOLITAN REGION

On Saturday 18th of March, I attended the 'Let Women Speak' event hosted by 'Standing For Women UK' and supported by CPAC Australia and many prominent Liberal Party MPs.

SFW advocates for the reinstatement of reasonable biological-sex based rights and against the irreversible and harmful medical transitioning practices used on gender non-conforming, autistic and gay minors.

This organisation and its goals are mainstream and global, supported by high profile members and leaders of every mainstream political party in the world.

The Melbourne "Let Women Speak" event was attended by Muslims, Christians, Atheists and members of the Greens, Labor, LDP and Liberal Parties. I announced on International Women's Day, in Parliament that I'd be in attendance and invited Natalie Hutchins to join me, because she is the Minister For Women.

Due to threats of violence from Antifa and various other extremist left-wing groups, I was approached and asked if I could drive Kelly Jay and her security guards to park in Parliament House car park, for safer passage to and from the Parliament House steps.

The event was very ably organised by Angela Jones, a left-wing, pro-gay rights Jewish woman, who liaised with Victoria Police to arrange a buffer zone between her event and any counter protestors.

This is why myself and all the other attendees were horrified to see masked men all clad in black inside the buffer zone. We thought that we were going to be attacked. However, the police did not seem worried and were talking with them over at the edge of the line.

Later I saw the police seemingly usher these men right through the centre of the buffer zone in between the LWS event and the counter protestors, which is when I saw those men raise their hands in a Hitler salute. I, along with the few others who were facing them from the front were horrified, but relieved that the police were moving them on.

After the event I was informed that these masked men had in fact mounted Parliament House steps outside of our view on the other end and performed a Nazi salute, and that members of the SFW group asked the police to make them leave, but were informed that the Police had no powers to move them on due to Labor's removal of those powers.

The Let Women Speak event saw a number of women injured by the extreme left counter protestors who infiltrated the event. I was assaulted and injured, along with multiple other women, including one who was taken to hospital after being knocked unconscious. They also became violent with police and punched police horses, forcing the event to finish early. I condemn their actions should be condemned.

I condemn the actions of the masked men in black who were later identified as Neo-Nazis, who gate-crashed the Let Women Speak event. Most of the LWS supporters did not realise who they were until they were being escorted out by Victoria Police, when they did the despicable Nazi salute.

I completely reject the beliefs of National Socialists (Nazis) and I have seen first-hand the impact that the Holocaust had on a family member.

None of those organising the event had any involvement with these men, as has been confirmed by Victoria Police, the Australian Jewish Association and all the organisers themselves.

If Daniel Andrews had not removed the 'move on' law they could have been

removed. The 'move on' laws need to be reintroduced and I also welcome moves to ban the Nazi salute.

I intend to fight the unjust motion to expel me from the Parliamentary Liberal Party

Pls fix typos

Thanks

Please hold off sending widely until I file if that's ok

Yep 30 mins everyone wants it!!

Yep

Also this

No not that last one

Just my original

Plus this

The genocidal agenda of the Nazi party is one of the most lamentable events in human history.

While attending an event focused on women's rights, a small minority hijacked the top of Burke and Spring St and performed the infamous salute that tarnished the good intentions of the majority.

Our shared Liberal traditions ensure robust freedom of thought and speech in our pluralist society but not at the cost of public order and/or an incitement to violence such as this.

For those western suburbs electors that put great faith in me and helped deliver us 10% swings away from this terrible Andrews Labor government.

The organisers have further events with Jacinta Price MP & Clair Chandler MP and I'd encourage everyone to attend to hear what these very well-thought-out Liberal ladies have to say.

Thanks for all your support thus far x

It'll be live in a few mins

I'll text you as soon as the story is published. Thanks

Hey Moira, can I come have a chat to you today?

Prob not heaps of meetings sorry

All good - I'm doing a piece for the weekend and I really want to talk to you about it.

I'm not a fan of the titles of your articles tbh.

I don't write the headlines. But I'm more than happy to talk to you about those headlines and address your concerns. I don't want to write a piece about you that doesn't include your pov at all - I've tried to throughout the pieces I've written balance Pesutto's comments with comments from people who are backing you (as well as yourself) and highlight why you think it's an unjust move.

22/03/2023 1:51:29 PM

Ok I'm free now

Happy to talk

23/03/2023 4:31:13 PM

Hey Moira sorry for the late text - wanted to give you the heads up that we're writing a story on Pesutto's comments to us in an interview that he expected there to be a discussion post Monday about expelling you from the party.

Let me know if you'd like to comment. I've spoken to two senior people who say it probably won't happen - but wanted to give you an opportunity to respond if you'd like to.

25/03/2023 10:06:01 AM

Pls call me

25/03/2023 7:07:26 PM

I don't have time to write the incorrect list for your article pls call me to go through

I am extremely upset at this article. If you can't call me please have another author call me

Hi Moira, I'm about to break my fast in a few mins. Can I call you back after Iftar please.

Oh sorry x of course

I'm trying to get food ready too - I'm really sorry. I'll call you back as soon as I'm done. I'll be going to the mosque for Ramadan prayers around 8.20 so hopefully we can resolve it between 8-8.20. Is that ok.

Of course- tbh I totally forgot about Iftar & I'm ashamed x

Not at all - I'm sorry it's been a stressful day for you.

Still. Don't want to turn into a crazy narcissist x thanks

Is that part in bold ok?

Yes x

I just read the spectator article and it says "transgender inquisitors" and those pushing for greater trans laws/rights. So I will have to leave in that bit about the push for greater trans rights, but will add in another sentence that you are advocating to look after the rights of trans people while balancing them with women's rights.

Ah. Silly me then lol. Yes pls thanks

I've made those other changes and re-filed it. I'll let you know of any updates

Loved "I've made those other changes and re-filed it. I'll let you know of any updates"

26/03/2023 4:22:58 PM

Hey, can you send me a copy of the email you sent to MPs this morning? The herald sun is reporting on it

27/03/2023 1:00:47 PM

Probably doesn't feel like congratulations are in order - but a win nonetheless.

That's my mood

Lol

😏😏 Proud boss bitch?

27/03/2023 2:29:53 PM

Hi Moira,

I won't write any of the details, but will include info in the story that you shared details of a really harrowing story, if that's ok with you. I don't want it to cause you any further harm if including it will be a problem. Let me know how much you'd like me to include and not include.

28/03/2023 9:32:30 AM

Hey, sorry to hassle again. Two things:

1. Sky reported your speech. Are you comfortable with us mentioning you explained to your colleagues that your advocacy for women and children stem from being a survivor of rape and sexual assault?
2. Pesutto says you're not off to a good start with your tweets last night - will you be responding?

To 1. You can say that yes.  
2. No comment  
Off record- he can talk!!

Liked "To 1. You can say that yes.  
2. No comment  
Off re..."

And you & I both know there has been no backtracking on my part.

3/05/2023 3:07:12 PM

Are you intentionally or unintentionally twinning with Sonja Terpstra.

Lol

I'm subtly trolling others lol

4/05/2023 12:03:22 PM

Can you send me a copy of your letter to Pesutto.

No sorry I didn't release it to begin with. Off record it was my furious husband.

I need to wait until after 2

Lol ok 😊😊😊 We love a supportive husband

4/05/2023 2:10:44 PM

Any updates?

Sorry ironically had another issue come up

Sending my email to members in next 10 mins

Can you flick a screenshot to me too please

From another source

Nw!

:)

4/05/2023 3:40:23 PM

Someone just flicked your email 😞

Are you launching defo or a court challenge over your suspension?

Off record, both. I don't care if they suspend me, but I want my bloody exoneration!

This will be an enormous fight

They've never seen me fight without restraint

This is going to get really really nasty for them!

It is.

It's genuinely really sad watching it all unfold when this state needs a really strong opposition 😞

Ps. A few MPs told us they were expecting the legal proceedings to include defo so I'll be writing that in the story. Just wanted to give you heads up.

Everyone expects defo because he defamed me lol

Laughed at "Everyone expects defo because he defamed me lol"

12/05/2023 9:00:08 AM

Big day 😊

I'm at parl now waiting around the party room ... but we should take post-meeting if that's ok.

So if I sent you something you'd be silent about your source?

Yes.

Email address?

[REDACTED]

Let me know when you send it so I can keep an eye out. I haven't received anything yet

It bounced. Hang on

Just received. Thank you very much.

Going through it now.

You've probably heard but mob just moved a motion against Heath

No I hadn't. I am so genuinely disappointed in that man

Ok yes I will come in today & give a statement

12/05/2023 11:10:40 AM

Why is it taking so long lol

I know!!!!

Censure motion perhaps?

Heard anymore about them? They should just Just rip the bandaid off & admit they're a bunch of corrupt, anti democratic, sexist bullies. Off record of course lol

They're coming out now

10-11

Heath has been removed as party secretary

They hate women who speak.

Replying to you, 2023-05-12 09:47:06: « Ok yes I will come in today & give a statement »

Any update on this

've spoken to my lawyer. He doesn't want me to make a statement until after I get official notice. So I've told everyone the parl door stop is off. Apologies

Sorry trying to text ppl pls spread the word

Sorry - I'm at the presser now  
Will call you back and I'll pass it on

All good.

12/05/2023 2:26:41 PM

off record for you to confirm There was a motion at the last meeting which collapsed over the dispute regarding the minutes which said that Kim, Renee & Leadership to sit together and sort minutes (and unofficially with Moira too).

Then today when the meeting began there were two sets of minutes laid on the table, which neither Renee Heath or Kim Wells had seen before, in breach of the previous agreed to motion.

John said that he'd decided to take over the issue.

John's version of the minutes from the 21st were not very controversial and passed easily.

John's version of the minutes from the 27th (expulsion motion/suspension meeting) did not match previous proposed minutes and were contested by many in the room. They passed, but many abstained and many voted against.

Point one appeared to match Renee's version.

Point two changed the wording from a 'jointly agreed and put out by Moira alone statement'. (Evidence exists to disprove this entirely).

Point three was wrong as well. Nick McGowan raised points on third point.

Apparently, the talk in the room was all about how Moira put a deadline on the negotiations and threatened to 'sue' John as grounds.

I was just on the phone to someone about that ^^

That's insane.

Right.

Far out.

Point three was that the leader "confirm" Moira isn't a Nazi sympathiser - changes from leader "issues a statement"

Ah ok thanks

He is so insane.

Btw are you doing credlin on Monday night still?

Yep

I'll keep an eye out on that. And just to double check - will you be issuing a statement at all today?

31/05/2023 5:17:05 PM

I know Broede has already harassed you about it but can I try my luck in harassing you for the second concerns notice 😊😊

Off record I suspect someone in my close circle obviously has shared it one of JPs staff. Not me.

Or one of JPs staff I mean

Is it possible for you to give us a copy too?

I think I can be counter-sued though if I do?

Oh, really? I didn't know that. But how will they know you sent it to us, given it's already in the public domain

Private email

But this one's encrypted:

No source x

Thank you 🙏

By the way, I'm finishing up on state rounds on Friday. I'll be going on long service leave for five months, and then coming back to the age as an investigative business journalist.

Thanks for always being generous with your time, and answering my texts and calls. It's been a tumultuous couple of months for you, and you have always been graceful with and kind to me. I wish you all the very best with your career, and wish you and your family all the best. I'm sure our paths will cross again, but it was really nice meeting you.

Take care!
