Hi Rachel,

“Look, unfortunately my months of pursuing private and internal avenues of mediation in order to get justice were rejected, and it appears from his letter that Mr Pesutto prefers for us to settle this dispute in court. It saddens me that a court case will inevitably cause the issue to drag on in the media- but as I have said from the very beginning, my number one priority is clearing my family name for the sake of my children.”

Kind Regards,

Moira Deeming MP
