Hello Matt, Georgie & John,

I am emailing to express my great disappointment in your treatment of Moira Deeming.

My major gripe is that your justification for expulsion from The Liberal Party is false.

I attended the 'Let Women Speak' rally on Saturday and it was clear that the National Socialist Network (Nazis) gate crashed the women's rally. There was great confusion as to who they were and by the time people realised who they were VicPol had given them a platform on the Steps of Parliament.

You are factually wrong. This kind of WEAKNESS will ensure that you will be in opposition for at least the next 8 years.

Show some backbone and MOST IMPORTANTLY fight for THE TRUTH.

Guilt by association sends a terrible precedent.
