Subject: Diary - entry for Sat 18/03

Hi Renee

As discussed, please note that there is a note in JP's diary about a possible catch up with Moira this Saturday.

I have no info about this catchup, I am not even sure who organised it, I think it goes back to December last year or early Jan.

As you do not have it in Moira's EO diary either, I will contact you again soon to organise a date that we all know about, if Moira would like too?

With thanks

Warm regards

Louise Daniel
