no need to call again  
Catherine Deeves is also someone i passionately support. She's a jewish woman who has been exonerated by the Jewish association. she's not in any way a nazi or white supremacist

Mate  
Please DONT expel moira.  
I'm gay. she's totally an incredible support to me. she is simply trying to defend women's spaces.  
I agree with her.  
None of us support or ever seek the Nazi idiots.  
Dean ❤️
