Hi David,

Apologies for the abruptness of my previous email, I hadn't realised that I'd forgotten to put in my intro- which was thanks for your patience and your hard word, and apologies for the delayed decision on which accounts to take action on. It was pretty traumatic to choose and my husband had to help.

Also, I see I've already sent you a file on the SWLR group- so please let me know if you need anything further, as I'd very much like to have this kind of abuse pushed back on so that they and others don't continue to harass and make threats and offensive communications of this nature.

Please let me know any next steps that you need from me and I'll be able to help much faster now that this initial decision has been made.

And thank you again for your professionalism and your wise advice,

Kind Regards,

**Moira Deeming MP**
