Nice try. People know who the real haters are & they see through your absurd lies. The safety & privacy of women & children unites all rational & empathetic people. You will lose.

Was it something I said about Maira Deeming?

All facts, every single tweet in this thread.

Maira Deeming epitomises religious infiltration in the Victorian Liberals.

There's a lot missing from Maira's profile. Perhaps Liberal HQ can refer to this thread and add it?

Maira Deeming

Maira is a high school teacher, mother of four and has been married to her husband, Andrew, for almost twenty years. Like so many others, she and her husband worked hard towards the Aussie dream of owning a home and raising their children in the western suburbs of Melbourne. For over a decade Maira and her family have lived, worked, played sport, volunteered and worshipped in the Western Metro region.

Maira has a Bachelor of International Relations from La Trobe University and a Post Graduate Diploma of Education from the University of Melbourne.

An experienced high-school teacher, Maira has taught at government, Catholic and low-fee private schools for over a decade. She is well known advocate for improved education standards, parents rights and child welfare.

In 2020, Maira was also elected as a Councillor for the City of Melton, and has extensively fought for women's rights, common sense, transparent spending and a fairer share of funding for roads, hospitals, schools and infrastructure in west.
