It scares me that members of parliament openly display hate and bigoted rhetoric on their social media even more when they openly call for people to attend a hate rally

Nice try. People know who the real haters are & they see through your absurd lies. The safety & privacy of women & children unites all rational & empathetic people. You will lose.

Having just been informed of your existence & perused your ridiculous posts- I'm going to go ahead & assume that you are slack in many ways, not just with the truth ;)
