

Access to Ilkley Inbox

Dear Emma,

As agreed I will be picking the girls up from the school drop off today at 3:10pm.

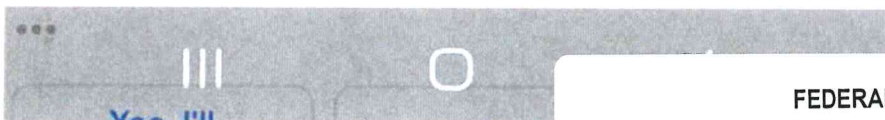

I would like to take the girls riding over the weekend and therefore require [REDACTED]'s bike. I have arranged a larger bike for [REDACTED].

I also require access to the garage and my study today as I need to pick up documentation for the financial disclosure requested by your lawyers. As well it has also come to my attention that by law I need to rehouse my firearm given Ilkley is no longer my place of residence.

Can you please confirm that I will be able to gain access to the property between 2:30 and 3:00pm so that I can pick those items up while the children aren't home.

Please let me know.

Regards

Re: Access to Ilkley

Ben

I will make sure you have access to the property at 230pm. I have packed most of your personal belongings (All bar files in the cabinet) from the office and placed most of it in the garage as the girls needed the space for homeschooling. You will see the packing boxes in there.

█ will have to take █'s bike (the purple one) as hers is now too small.

In regards to the firearm that's here, I would very much prefer you to take that Sunday when you drop the girls home. I do not feel comfortable

Dear Emma,

Thank you for arranging access. I note █ will need █'s bike.

I will not remove the firearm today as requested and I will pick it up once I have dropped the girls home on Sunday.

Regards

Ben
