Detective Sergeant Innes

Thank you for your email earlier this week. My daughter is recovering well.

Since my return from Townsville I have taken the opportunity to obtain legal advice from my solicitor (Bill Potts of Potts Lawyers) and to confer with family members.

In all of the circumstances and as a result of this advice, I advise that I do not wish to proceed with my complaint of assault or an application for apprehended violence against Ben Roberts-Smith at this time.

Thank you for the support and assistance that you have provided to me in relation to this matter. If there are any documents you require me to sign to confirm the withdrawal of this complaint, I will attend to this when they are provided.

Kind Regards

Person 17
