Subject: Re: SEXUAL ASSULT STORY

Hello again

Sorry to be a paranoid nark, but given my current black-ops status, I just wanted to check if someone could please follow up on this if it hasn't already been done.

I need to go back and forth with Antony and Isaac a fair bit on this.

cheers

Angus

Morning all. Thanks Craig.

Darryl is currently editing the story and **Sam** has done a read of the VO - so clearly they're both across the story. But from now on it'll be ENVIRO.

The library, **Antony and Isaac**, have been looking for footage to help with the story but are not aware of what the story is about. They will know it involves footage of various ministers and Parliament House but no more than that.

Everyone has been briefed regarding the confidentiality - but if someone far more senior than me could reinforce this - that would be wonderful if it hasn't already been done.

Cheers

Angus

This story is now in the planning grid as ENVIRO.

Please do not refer or update the grid to reflect the true nature of the story.

Please note Sean is not on this list and is to be kept unaware of the story as is everyone else in our organisation.
