Thanks.

And I will be going to Canberra with Lisa tomorrow to shoot that 11 sec PTC. I'll make it great!

Yep, the shots are ungraded at the moment and Lisa is very red.

I noticed she's quite hot in the 2 shot, so I'll be setting up a matte for when we've got shots pretty much locked.

Will look at some better reaction shots ... have already changed a few out but sounds like I need to change some more.

Thanks,

Afternoon gentlemen

I've got a couple of requests regarding Lisa if that's ok.

1) I think I was a bit distracted on the day and I'm still not happy with the lighting on Lisa. I didn't quite check properly.

Is it possible to maybe bring her down one f stop or apply a gentle filter perhaps? I just don't think the close shot of her matches B all that well.

2) Could we also add in a few shots of Lisa looking a bit caring, especially when B cries. Lisa is looking a little forensic all the time and I just want to add in some softer expressions.

cheers

Angus
