Hi Amanda,

So excited to share with you my script for GIRL GROUP in anticipation of our meeting tomorrow!

It's PITCH PERFECT meets SCHOOL OF ROCK. Musical. Hilarious. Lots of heart.

I think it'd be the perfect addition to your slate.

Also attached is a link to a VISUAL PITCH DECK that we made for the Lionsgate company briefing.

Can get you a full budget and music links if you need that too. Please let me know.

Great to meet you today!

Rebel xoxo
