Hi dearest Rebel,

I've just read this. I am so very sorry that you have experienced such a difficult situation.

I will speak to Angharad about it this evening and get back to you before the end of the evening.

I am so greatly saddened by sight of this document. To me, it looks like you are being bullied into confirming in writing that there is nothing wrong with the behaviour of certain people – when obviously (having now read your statements) there is a lot wrong. The claim from Amanda and Gregor seems to be: if you don't sign this document, then Len will stop funding because Amanda has the power to make Len stop funding. It's extremely depressing to read this. We need to decide on next steps, quickly.

My own advice is that you should make Danny and Len aware of these statements. The behaviour is not acceptable.

Charles x

This just sent after the altercation at lunch. Gregor is demanding I sign it or else the film will be immediately shut down.

Hi All

Have knocked up some simple and direct minutes from our meeting today for us to agree and sign off on

Let me know if anyone wants any amendments, which I can make

Otherwise please sign and send back to me

It goes without saying that these minutes will remain confidential

Hopefully this will conclude this business today and we will make the absolutely brilliant film we all want to produce

Thank you so much
