Hi Amanda,

Louis and I have both been in touch with Lital Spitzer and Kyle Day at 3 Arts about Charlotte since April 4th, and we sent them materials for her to tape a week ago. It's strange that nothing has gotten to her; we'll check in.

From my casting agent

Oh wow okay, noted.
Apologies, I only signed with her recently and haven't had too much to do with them.
My Aussie agent Monica [redacted] deals more with theatre than Lital but that is still so bizarre she hasn't sent it to me.

I will make sure I get the materials tomorrow. Am learning the song now, it's beautiful.

If you could pass on the email [redacted] she will make sure I have them tomorrow

Thinking about your tape.

Hopefully you will have the piano
audio to sing to on The End Of Love

But I'll try and get it now

Apr 16, 2023 at 3:17 PM

They still haven't sent it

Did you get the materials from your
LA agent?

Not yet

Damn. So hard with this time

Truely, I'm also not sure if they're in
the office on a Sunday

Well at least you know what song to
do

And it is such a beautiful song

Well at least you **Amanda Ghost** do

And it is such a beautiful song

I really love it

I'm learning it on the piano anyway
so if I don't get the backing I'll just
send a raw piano vox version by the
time you wake up in london

Apr 16, 2023 at 11:22 PM

I've also got a vid of me learning it on
piano which is a lil different if you
want that one too

This is really good. You need to use
your arms and hands and make
gestures. You need to act it. Also we
need the whole song.

You can obviously sing it

But you need to act it

Hey Charlotte, hope you're doing well. I have spoken to a few session players, it's proving to be difficult to find someone at such short notice. A lot of people are on tour for the weekend. Or booked already. I do have someone lined up but there are \$500 for the afternoon which to me seems a little steep for the amount of work. I'm trying a few other people at the moment.

Would it be easier for me to talk money stuff with you or?
