Ok. I had a conversation with Amanda this morning, and she said to take out all the \$900k above the line fees. And the funds have just arrived in our bank account. So that is good.

Did you connect with **42**an?

We have just had separate phone calls with Amanda, Gregor and Vince. Should David and I meet you somewhere to talk it all through? Think it would be good to meet in person

Yeah of course

Whereabouts are you?

I'm still in Bondi

We are at our house. We never got to leave! Do you wanna come here?

Yeah sure - what's your address?

Can I park there

I'm at The [REDACTED] building at the Airbnb

Or is it close enough to walk?

You can park in the drive way. I can move my sons car. I am worried about bumping into Gregor if we come to you

Yep cool, I'll
Come to you

What's your address?

[REDACTED], drive to the end of [REDACTED] street, turn right onto [REDACTED] street and keep following that road up as it goes slightly left past the pedestrian crossing. We are one of the semis on the left hand side. You can park in the driveway.
