Fabulous!!

Keep shooting, keep shooting.

And the drama will pass hopefully, with Amanda out of the picture and Gregor not really with any creative role whilst it shoots. And if Amanda ever steps out of line again, then we come down on her with everything we've got.

For the time being, let's keep refusing to release signed documents unless and until Amanda signs up to the producer contract (as you will) with the following clause in there ofr ethic reasons:

“If Producer should prior to or during the term of the Agreement or thereafter fail, refuse or neglect to govern Producer’s conduct or commit any act where such act or failure to act would (a) be considered by a reasonable person to be unethical, (b) cause a reasonable person to believe such act or failure to act brings (or if publicly known would bring) Producer or Company into broad public disrepute, or (c) cause a reasonable person to believe that a substantial portion of the community would reflect unfavorably on Producer or Company or exhibitor, then, in addition to and without prejudice to any other remedy of any kind or nature set forth in the Agreement, Company may suspend Producer’s services hereunder or terminate the Agreement at any time after the occurrence of any such event, and further, Company or exhibitor may delete any credit theretofore accorded Producer in connection with the Film and may thereafter disregard any credit obligations of this Agreement.”

xxx

S

So word's gotten around that I've had the issue with Amanda and a mutual friend forwarded me Twigs' number. I called her tonight and just FYI, only one month ago Twigs went to see Len to complain to him about Amanda's "bullying and aggressive behavior." She said Len was very sympathetic. Apparently there was also a time where Gregor tried to get her to sign a document under duress.

So just FYI, Len must be aware of Amanda's behaviour as Ramona's call would've been the 2nd thing this month that was brought to his attention.

Just finished my first 6-day week, am exhausted, but the movie is going sensationally well (despite all the drama)!!
