I love your Mum ... she's very spun out and struggling to process everything so I spent a few hours calming her tonight .. she's heartbroken with Bobbi so this just hit her very hard ... I can easily see that your being set up, set up because of dirty politics.... I would just get yourself well and in the right frame of mind and outsmart them .. there is no evidence.. it's an unsubstantiated accusation.. I'm sure some in the media can already see what the ulterior motive may be and the fact that someone's reputation is on the line.
