Hi Naomi,

As discussed, yes this plan looks good. Charlotte has covered her own travel from WA to Brisbane. Production will fly her from BNE to Sydney and cover her accom from 3/9 departing morning of 7/9. Charlotte will stay with Amanda from 7th to 13th. And then production will accommodate Charlotte from 13/9. Per diems will only be paid for days when Charlotte is at Accom provided by production.

@Andrew can you please prioritise booking Charlotte's accom, especially for period from the 3/9.

Best,

Hi Matt,

Thanks for the chat.

I've just spoken to Charlotte and although she is keen to take up Amanda and productions offer to stay in Bondi between the 7th – 13th, we'd rather her not staying in Bondi ahead of the shoot so we can avoid the back and forth if possible.

If Charlotte is able to extend her accommodation in Brisbane until the 3rd, can production fly her from Brisbane and accommodate her from then giving her the 4th to be in Sydney to set herself up and prepare in order to perform at her best on the 5th?

Can we also please ask that the most recent versions of the songs she's recording be sent over asap? Kirsty McGregor played her a version she hadn't heard at the Dusty recalls a couple of weeks ago so any new versions she can look over on the 4th would be excellent.

Thank you,
N

Hi Matt,

Thanks for that.

Can we travel Charlotte to Sydney from Brisbane and accommodate her from the 1st? Do you mean fly her from BNE to SYD instead of flying her from WA to SYD? Charlotte is currently not called until 5th so production can accommodate her from the day before, being 4th. However Amanda is in her Bondi accommodation from the 2nd, so it's up to Amanda if the invitation is extended earlier.

I know she's not on the 5th but we'd hope she could settle in over the weekend and have a day of vocal rest ahead of recording. She also had been given the 2nd as a start date and although she knows not to take that as gospel, she'd booked accommodation in Brisbane (for the meetings that we had previously discussed) until the 1st...
As above.

Just confirming that Charlotte would be accommodated by production for the 5th and the 6th

Production would provide accommodation for nights of 4th, 5th and 6th

and then from the 7th – 12/13th the offer is to either stay with Amanda or travel Charlotte home to WA to

The offer from Amanda that I saw was "Matt. I have a spare bedroom in our apartment if Charlotte wants to stay in that to avoid flying her back and forth and saving on her accommodation. " If Charlotte was happy to stay with Amanda, I could ask about the date span, and if she could come in earlier then have her back in Sydney accommodated by production for the 14th onwards? You then expect that Charlotte will be in Sydney for the remainder of the shoot ending on December 8th? She would travel and be accommodated night of 13th in Sydney and then be here for the duration (except when we got to Carcoar) through until wrap.

Hi Naomi,

As discussed just now Amanda Ghost has kindly offered for Charlotte to stay with her at the apartment in Bondi that production has arranged for Amanda whilst she's in town. I've been to the apartment and it's really nice and Charlotte would have her own room. It would only be Amanda and Pia (Music producer) staying in the apartment. Amanda leaves on 22nd September and Rob Ashford (Choreographer) and Gregor Cameron (Producer) arrive shortly after. I would imagine at this point Charlotte would prefer her own separate accomodation that production can arrange.

At the same time I want to make it clear that the production has the capacity to offer Charlotte her own separate private accomodation whilst she is in Sydney if she would prefer to stay by herself. Likewise if Charlotte changes her mind at any point and wants her own space we can facilitate that too.

Andrew (cc'd - co ord) will be in touch re movement orders and schedules.

Best,
