I literally just emailed you asking if you wanted to go ahead.

We have booked accomm. Did that first thing. And I will ring her agent now and say that rebel needs some space there.

Great

I asked that the reason be as we discussed that Rebel needs the space by the beach. I didn't over hype by me calling directly as I thought that would be more dramatic as I have not been dealing with the accomm for Charlotte. I will clarify that that has been done.

It has been done.  
Reason Rebel needs space for family.

Perfect

Thankyou so much. X
