So dearest Amanda,

I can not express to you how grateful I am for this incredible

opportunity to direct this, my dream job. I promise you, I will give this my absolute ALL. The day Arghward set us up to meet was the birth of a special partnership - meant to

be! Thank you for bringing all your amazing talents to THE DEB -

you're incredible! We've already been in the trenches together and I've seen how hard you fight. It's magnificent. It's inspiring. I adore

you!

See you at the premiere! (Haha,
