I'll send you a link on email. I've fixed the opening.

I think we don't have to be too fussy about cutting it back at the moment

Hi mate. I note that an external lawyer has been put on standby in case anything crops up over the weekend. We would do well not to consult him unless there is a major drama. I don't like changing lawyers in mid stream.

Understood.

I'm now retiring to the back yard to try out the new tents this evening.

Which reminds me of that famous saying by Lyndon Johnson. " I'd rather have him inside the tent pissing out than outside the tent, pissing in"
