Hey there, thanks for all that. Just before I send though, are we still offering a hotel room to stay if we are looking at conference room bookings?

If they want to stay 100%

I'm doing everything on WhatsApp as she is not comfortable with normal Comms. So I have just copied the flights and sending through that info with the offer of overnighting if they'd like. 😊

Check. We can get an upgrade at star on a room. Better than conf room anyway
