Hi Angharad,

Can you please call Amanda Ghost to get the formal conversations going re THE DEB (the original Australian musical that I own).

She has the script and the recordings of the live stage show that we did for development purposes...and says she wants to do it 50/50 with me with Unigram fully financing.

I have told her estimated budget to shoot in Australia 2023 is \$15 mil USD which is such good value for money.

We can get up to 40% of that spend back as a Producer's rebate which we could split 50/50 as instant profit.

Rebel xoxo
