The first two grabs of George Williams are almost tautologous.  
 I reckon we only need the second.  
 And I'm not sure he adds a lot when we return to him later in the story.

 Thanks Angus and Darryl this is looking extremely strong. And I agree, the ending is a ball tearer.

All up about 23.07 right now. I'll add the George Williams grabs in the morning.  
 And Chris, the ending, well it's now quite breath taking. Thanks.
