Hi there

Are we all good with Rob for this arvo/tonight?

I'd like to book him in with me tonight from 5.30ish to maybe 10.30? We might be finished earlier.

Then I'd like to do a pre-dawn shoot with him too in the morning. All in Canberra.

I don't know until I hear back from Craig about whether or not we'll end up doing anything with a host down there tomorrow.

I think I'll drive down - takes 3.5 hours. But it means I'm more flexible, I probably one save one hour by flying. Nevertheless are there any afternoon flights and early flights tomorrow morning I could potentially get?
