a) This clip is the one we're planning on sending to Maiden. She tells me that her piece will go live 7 or 8 am tomorrow. Are we ok with this?

b) Andrew Carswell from the PM's office just called and didn't leave a message. But he sent a text which said "Hi Angus. Andrew Carswell from the PM's office." But that's all. I assume he'd like me to call him back. He's the PM's head media person.
