Sorry Chris, when you say a version of the script for SMH do you mean a version of the social script or a version of the story script? If it's a version of the story script I really need to stay focused on the edit and the changes we need done for the broadcast.

Angus can you speak to Lisa about prepping a version of the script that can go out to SMH in conjunction with our on air promo? It would be great to have this to them by midday

Thanks guys

This needs to go to promos before any further action.

Adding Dave (who I have briefed) and Mikey (who is about to be briefed) to email.
