Oh dear girl are you ok??i was contacted today by channel 9, I was in rehearsal with no iPhone. Fortunate. I told my agent no comment. But it's nasty. I hope you'll be protected. I'm sure you will be. If you need anything just ask.xxx

I'm frightened. And the media are ferociously hounding me. It's pretty scary. I'm just trying to do the show and survive. I didn't ask for any of this. It's awful Robyn.

Oh sweetheart

Anyone at STC?
Xx

Both are trying their hardest to protect me. STC is working hard and Kip has been strong for me. There are many stories not just mine. But I'm fairly alone right now. And the truth is I tried to keep out of it. But here I am, in the eye of the storm. I just want to do my job and feel safe.

I'm glad to hear Kip and STC and agent are supportive. Stay close to friends. Xx
