## GD MASTER RETAINER TERMS

The following terms apply to each matter ("New Matter") in respect of which Gillis Delaney Lawyers ABN 98 691 183 536 ("GD") is engaged by Lisa Wilkinson (the "Client").

### 1. GD Retainer Schedule

- (1) A *GD Retainer Schedule* will be issued to the Client in respect of each New Matter as soon as possible and where practicable, before the work is undertaken or costs are incurred. Each *GD Retainer Schedule* will set out an estimate of GD's fees, charges and disbursements and a brief description of the scope of work for the New Matter.
- (2) The *GD Retainer Schedule* will identify the partner who will supervise the New Matter. Where practicable GD will discuss any changes in the supervision of the New Matter prior to the change. In all cases GD will advise the Client promptly of any such change.
- (3) Estimates of fees, charges and disbursements are indicative only. Estimates will be revised when the scope of the work becomes apparent. Any estimate is subject to change and is not a quotation or a fixed cost. The estimate is based on the facts and circumstances provided to GD by the Client which may not have been verified by GD. Where appropriate estimates of fees, charges and disbursements may apply to work carried out during a particular period and new estimates may be issued for following periods.
- (4) Estimates of fees, charges and disbursements may be revised to account for changes in the scope of work or to account for unexpected developments affecting the conduct of a New Matter. Wherever practicable such revisions will be provided in advance of the extra work being carried out and will include enough information about the effect of the changes in our scope of work on the legal fees you will be required to pay to GD to allow you to make an informed decision about the future conduct of the matter.
- (5) The client has the right to negotiate a costs agreement, to ask for an explanation of the GD Master Retainer Terms and Retainer Schedule and costs disclosure and to negotiate the billing method (ie: by reference to the timing or task and the right to an itemised bill after receiving a bill which isn't itemised). Generally we will provide an itemised bill as a matter of course. You may seek the assistance of the designated legal regulatory authority (the NSW Legal Services Commission) in the event of a dispute with us about costs. You may request a written progress report from GD about costs incurred and GD will not charge fees for giving such a report to you.
- (6) Our fees are calculated on the basis of hourly rates which are set out in the *GD Retainer Schedule* unless a different billing method is specified. In the absence of express provision an estimate in a litigious New Matter does not include the cost of the recovery of any judgment or award or the cost of any appeal or rehearing.
- (7) In the absence of special arrangements set out in writing and signed by GD, GD fees, charges and disbursements in respect of each New Matter will be calculated at the rates set out in the *GD Retainer Schedule* applicable at the relevant time when work is carried out in a New Matter. If relevant work done takes less than an hour, an appropriate proportion of an hour will be charged.
- (8) Our time is charged in minimum units of six (6) minutes or part thereof (eg. if a phone call takes four (4) minutes you will be charged six (6) minutes).
- (9) The legal fees, charges and disbursements set out in the *GD Retainer Schedule* exceed any applicable Court scale for legal costs (in litigious matters).
- (10) In litigation, an order for legal fees, charges and disbursements against another party is unlikely to provide that the Client recovers from that party all of the legal fees, charges and disbursements charged by GD in a New

Matter. Where the New Matter is a litigious matter the *GD Retainer Schedule* sets out an estimate of the costs that may be recovered from the other party if the Client is successful in the litigation.

- (11) It is possible the Court may make an order the Client pay the other party's costs (if, for example, the Client loses the case or applications made during the conduct of a Court case). These costs are payable by the Client to the other party in addition to the costs payable to GD under this agreement. Where the New Matter is a litigious matter the *GD Retainer Schedule* sets out an estimate of the costs that may be payable to the other party if the Client is unsuccessful in the litigation. The ultimate costs payable will depend on the services provided to the other party. The costs payable may vary substantially to the estimate in the *GD Retainer Schedule* depending on the nature of the work performed for the other party and the conduct of the litigation.
- (12) Where the New Matter is a litigious matter GD will provide to the Client before settlement an estimate of the costs payable by the Client to GD and a reasonable estimate of the costs the Client would obtain from the other party if the settlement is favourable to the Client.
- (13) GD reserves the right to increase its professional fees, charges and disbursements for work carried out on a New Matter. Such reviews will take place on 31 January annually and the new rates will become effective from 1 March after the review. GD will advise the Client in writing before any such increases come into effect.
- (3) The Client must pay or reimburse GD:
- (a) all out of pocket expenses or disbursements incurred by GD with the prior approval of the Client;
  - (b) where withholding tax is withheld from any payment of a GD invoice, the amount necessary to adjust the total due in respect of the invoice such that the amount received by GD after deduction of any withholding tax is the amount equivalent to what GD would have received in the absence of any such withholding tax;
  - (c) other out of pocket expenses or disbursements incurred by GD where:
    - (i) the amount of the expense or disbursement was not significant having regard to the nature of the New Matter; or
    - (ii) it was not reasonably practicable to seek prior authority and it was necessary or desirable, in the reasonable opinion of GD, to incur the expense or disbursement for the proper conduct of the New Matter.
- (4) It may be necessary for GD to engage, on behalf of the Client, the services of another law practice to provide specialist advice or services including advocacy services or to act as GD's agent. GD will consult the Client as to the terms of that law practice's engagement, but the Client must contract directly with law practice if so required by GD and the Client must enter into a costs agreement directly with that law practice. The law practice engaged by GD will disclose costs in a similar manner to GD and those costs will be disclosed to the Client.

## 2. Out of Pocket Expenses & Disbursements

- (1) In the absence of special arrangements set out in writing and signed by GD, GD out of pocket expenses, charges and disbursements in respect of each New Matter will be calculated as set out in the *GD Retainer Schedule* applicable at the relevant time when work is carried out. Other out-of-pocket expenses are reimbursable at cost without any administrative margin or overhead.
- (2) GD may, where practicable or considered necessary, engage external service providers required (for example, barristers, interstate agents, experts and witnesses) to assist with the conduct of each New Matter on behalf of

### 3. Retainers, Payments in Advance & on Account of Fees, Charges & Disbursements

- (1) The Client must pay the amount, if any, set out in the *GD Retainer Schedule* in respect of each New Matter as a retainer or payment on account for fees, charges and disbursements in respect of each New Matter. GD may at any time during the conduct of a New Matter require payment, or a further payment, of a retainer or payment on account for fees, charges and disbursements.
- (2) Any money paid by the Client on account of fees, charges or disbursements in respect of a New Matter may be retained by GD for the duration of the New Matter or at the discretion GD be applied in whole or in part, at any time and from time to time, in payment of any outstanding bill for costs, charges and disbursements in the New Matter or any other matter in which the client has engaged GD.
- (3) Where GD holds money in trust on account of fees, charges and disbursements the monies may be applied in whole or in part, in payment of any outstanding bill for costs, charges and disbursements in the New Matter or any other matter in which the Client has engaged GD where the Client has not objected to the bill within seven (7) days after being given the bill. If the Client objects to the bill within seven (7) days after being given the bill but has not applied for a review of the legal costs under the *Legal Profession Uniform Law Act 2015 (NSW)* ("LPUL Act") within sixty (60) days after being given the bill GD may apply the trust monies in payment of the bill.
- (4) Where GD holds or controls money on behalf of the Client in accordance with *LPUL Act* and *Legal Profession Uniform General Rules 2015* ("LPUG Rules") the Client is entitled to receive periodic statements of account. On completion of a New Matter, GD will supply a full account in accordance with the regulatory requirement in respect of each New Matter.
- (5) Any money held by GD in GD's trust account does not attract interest.

### 4. GD Billing Procedures & Interest on Overdue Accounts

- (1) In the absence of special arrangements set out in writing and signed by GD, GD will

normally render a bill for costs, charges and disbursements at monthly intervals for each New Matter and at the completion of each New Matter.

- (2) GD bills for costs, charges and disbursements must be paid within seven (7) days of invoice.
- (3) GD may apply any money held by GD on behalf of the Client on trust or otherwise in accordance with an authority or direction of the Client in payment of any outstanding bill for costs, charges and disbursements due by the Client to GD.
- (4) Interest must be paid by the Client on any amount overdue for more than thirty (30) days from the date GD's invoice is given to the Client. Interest is payable as may be regulated from time to time under the LPUL Act and is payable at the rate fixed by Rule 75 of the LPUG Rules being the Cash Rate Target set by the Reserve Bank of Australia plus 2%. Interest will not be charged on disbursements and expenses that have not actually been paid by GD. However, third parties (eg. barristers) may charge GD interest on their unpaid fees and expenses which GD will on charge to the Client.

### 5. GD Lien, Termination of Services and Other Rights

- (1) Whilst any amount of money remains unpaid by the Client to GD in relation to any New Matter or any payment on account of fees, charges or disbursements requested by GD is unpaid, GD may cease to act for the Client in relation to the New Matter and any or all other matters in respect of which GD has been engaged by the Client:
  - (a) upon the expiration of fourteen (14) days, or such other shorter period as may in all the circumstances be reasonable notice by GD to the Client;
  - (b) where the Client is party to any proceedings, in accordance with applicable Court rules regulating the withdrawal of a solicitor from proceedings and;
  - (c) where the Client is standing trial for a criminal offence, in accordance with Rule 5.2 of the Revised Professional Conduct and Practice Rules.

- (2) GD strongly believes the proper discharge of legal work requires continuing mutual cooperation and confidence between GD and the Client. Accordingly:
- (a) the Client may terminate the engagement of GD to provide the services of GD in relation to the New Matter and any or all other matters by notice in writing at any time to GD; and
  - (b) GD may elect to discontinue work and cease to act for the Client in relation to the New Matter and any or all other matters in respect of which GD has been engaged by the Client if:
    - (i) the Client fails to promptly provide GD with adequate instructions;
    - (ii) in the reasonable opinion of GD, the relationship between the Client and GD has broken down;
    - (iii) GD is legally or otherwise obliged to discontinue work; or
    - (iv) you fail to accept an offer of settlement which GD thinks is reasonable;
  - (d) GD determines that there are not reasonable grounds for believing on the basis of provable facts and a reasonably arguable view of the law that any claim or the defence of any claim (as appropriate) has reasonable prospects of success.
- (3) If GD elects to discontinue work pursuant to clause 5(2):
- (a) GD will give the Client reasonable notice of the intention of GD to terminate services, and of the grounds on which any such notice is based; and
  - (b) The Client must pay GD for all legal work done and disbursements incurred in accordance with the *GD Retainer Schedule* down to and including the date of termination or cessation of work.
- (4) GD is entitled to retain possession of all papers and documents of the Client held by GD on any account from time to time, while there is money owing to GD for fees, charges or disbursements on any account, unless security adequate to GD is provided to GD.
- (5) On completion of any New Matter, GD may retain, but is not obliged to retain, any documents, papers, discs, data (in whatever form and however stored) and information held by GD on behalf of the Client in relation to the New Matter ("Client Records"). The Client authorises GD to destroy all or any of the Client Records at any time after completion of the relevant New Matter. The New Matter will be complete on the date that GD gives a final invoice to the Client in the relevant New Matter. The Client acknowledges that the Client Records may not be held by GD for six (6) years after the date that GD gives the final invoice to the Client in the relevant New Matter because some or all of the Client Records may be destroyed by GD at any time after completion of the relevant New Matter.
- (6) The Client is entitled to request at reasonable intervals written progress reports on the New Matter and GD charges will be calculated at the rates set out in the *GD Retainer Schedule* for this service. The Client is entitled to request a written report on the legal costs incurred since the last bill of costs was given to the Client and the report will be provided free of charge.
- ## 6. GST Gross Up
- (1) In this clause:
- "GST" means the tax imposed or sought to be imposed by the GST Acts;
- "GST Acts" means *A New Tax System (Goods & Services Tax) Act 1999* and the related imposition Acts of the Commonwealth.
- (2) If GST is imposed on any supply made by GD pursuant to this agreement, and GD certifies that GD has not priced the supply to include GST on that supply then the recipient of the supply (i.e. the Client) must pay to GD, in addition to any other consideration for that supply, an amount not greater than an amount equal to the GST payable by GD (as determined in good faith and not in contravention of the law, by GD), in connection with that supply.
- (3) For the avoidance of doubt, the Client acknowledges that the rates set out in the *GD*

*Retainer Schedule* have not been priced by GD to include GST, except where the rate is expressly stated to be GST inclusive.

## 7. Avoiding Conflicts of Interest

- (1) GD may act for other clients who or which may compete with or, more rarely, may even be involved in business with the Client. GD will continue to represent those clients or new clients in matters that are not substantially related to work that GD is engaged to perform for the Client. GD will not disclose or use any confidential information that the Client may disclose to GD in the course of the provision of legal services by GD to the Client, except where such disclosure is required in the course of GD acting for the Client.

## 8. Email Transmissions

- (1) Email is not secure and may be read, copied or interfered with in transit or impaired. The Client authorises GD to send documents or advices by E-mail to the Client. The Client assumes the risks associated with e-mail transmission and release GD from any claim that the Client may have against GD arising out of transmission defects.

## 9. Privacy

- (1) GD and entities controlled by GD are subject to the National Privacy Principles in the *Privacy Act, 1988* (Cth). GD has a duty to maintain the confidentiality of the affairs, including personal information of the Client ("Confidential Information"). GD will maintain that duty of confidentiality except where disclosure of the Confidential Information of the Client is:

- (a) with the consent of the Client;
- (b) under compulsion of law; or
- (c) for the sole purpose of avoiding the probable commission or concealment of a felony.

GD may also be subject to an obligation not to disclose personal information about the Client, which GD holds, arising out of the fiduciary duty that GD owes to each respective client of GD, or pursuant to professional conduct rules which govern the legal profession and apply to GD.

The Client authorises GD to disclose Confidential Information about the Client where GD reasonably believes that disclosure is necessary for GD to perform the obligations of GD in respect of any New Matter, including without limitation, disclosure to barristers and experts engaged by GD on behalf of the Client, or both in any New Matter, or in accordance with any order, rule, practice or procedure of any court.

## LPUL Act

The provision of legal services without reasonable prospects of success is capable of being professional misconduct or unsatisfactory professional conduct. GD cannot file originating process or a defence on a claim for damages unless GD certifies that there are reasonable grounds for believing on the basis of provable facts and a reasonably arguable view of the law that the claim or the defence (as appropriate) has reasonable prospects of success. If it appears to a court in which proceedings are taken on a claim for damages that GD has provided legal services to a party without reasonable prospects of success, the court may of its own motion or on the application of any party to the proceedings make either or both of the following orders:

- (a) an order directing GD to repay to the party to whom the services were provided the whole or any part of the costs that the party has been ordered to pay to any other party,
- (b) an order directing GD to indemnify any party other than the party to whom the services were provided against the whole or any part of the costs payable by the party indemnified.

GD is not entitled to demand, recover or accept from the Client any part of the amount for which GD is directed to indemnify a party pursuant to such an order.

- (3) The Client authorises GD, for the purpose of establishing that at the time legal services were provided there were provable facts that provided a basis for a reasonable belief that the claim or the defence on which they were provided had reasonable prospects of success, to produce information or a document to a Court despite any duty of

confidentiality in respect of a communication between GD and the Client.

- (4) The LPUL Act gives the Client the right to: seek the assistance of the NSW Legal Services Commission; apply to the Supreme Court to have a bill of costs assessed for its fairness and reasonableness by a costs assessor; or to have the dispute mediated; or a costs agreement set aside by the costs assessor on the basis that it is not fair, just or reasonable. Applications for assessment should be made before the expiry of sixty (60) days after receipt of the bill of costs or the request for payment of costs or full payment is made to GD whichever is the earliest.

## 11. Interpretation

- (1) The *GD Master Retainer Terms* and *GD Retainer Schedule* together comprise of a costs agreement for the purposes of the LPUL Act. GD's tax invoices are bills of costs for the purposes of those Acts.
- (2) References in these *GD Master Retainer Terms* to each New Matter are references to each matter specified in a *GD Retainer Schedule*, or, to each matter in which the Client instructs GD to provide other legal services.
- (3) The law of NSW applies to legal costs regarding the New Matter. If the New Matter has a substantial connection with the law of another State or Territory the Client may wish to have the matter dealt with by the law of that State or Territory. In that event GD will disclose costs as they are applicable in the State or Territory. However, the Client may contract with GD that the costs assessment scheme in NSW is applicable in the event of a dispute arising as to costs.

## 12. Authority

- (1) **Lisa Wilkinson** may seek independent legal advice before entering into this legal costs' agreement with GD. If **Lisa Wilkinson** accepts this offer by GD to provide services **Lisa Wilkinson** will be regarded as having entered into a costs agreement. This means that **Lisa Wilkinson** will be bound by the terms and conditions set out in *The GD Master Retainer Terms*, and relevant *GD Retainer Schedule* for the matter.

**Lisa Wilkinson** authorises and request GD to:

- (a) receive all or any money which may become due to **\*100\***; and
- (b) pay from time to time any costs and disbursements due by **Lisa Wilkinson** to GD from money held by GD on trust for **Lisa Wilkinson** or otherwise held on behalf of or in accordance with directions or an authority of **Lisa Wilkinson**, subject to the provisions of the LPUL Act and LPUG Rules made pursuant to that Act.

## 13. Retainer Joint & Several Liability

- (1) Where more than one party is defined as the Client in this GD Master Retainer Terms, all such parties shall be jointly and severally liable to carry out all the obligations of the Client as set out in this Agreement and particularly to pay the total of any outstanding amount owed to GD pursuant to the terms of this Agreement.

Dear Mr Jefferies,

**Re:** Lisa Wilkinson

**DISCLOSURE OF COSTS AND LEGAL SERVICES and COSTS  
AGREEMENT**

I understand that you wish to brief me in the above matter. I am prepared to accept the brief and wish to disclose to you that the basis for calculating the costs of legal services to be provided by me will be as follows:

1. Amount of overall costs: Not Known
2. Estimated initial costs: Review pleading and advise generally (8-10 hours); consider conflict and indemnity issues (6-8 hours); take instructions, review documents, draft defence (3-4 days), case management appearance (2 hours), prepare for and appear at limitation argument (2 days). A further estimate can be provided upon request once the pleadings are closed.
3. Basis upon which fees will be calculated:
  - 3.1 \$800.00 per hour for preparation, conferences, other attendances, advices, and travelling time. Time will be charged on the basis of 6 minute units and rounded up or down to the nearest unit.
  - 3.2 \$8,000.00 per day in Court with a minimum appearance fee of \$4,000.00 if the matter concludes before 1pm on that day.
  - 3.3 For short Court appearances, such as directions hearings, a minimum appearance fee of \$800.00.
  - 3.4 In relation to hearings:
    - (a) if a matter is settled or de-listed more than 7 days and less than 21 days before the first day of hearing, a brief fee of one day is payable;
    - (b) if a matter is set down for 5 days or more, and is settled or de-listed less than 7 days before the first day of hearing, a brief fee of two days is payable;
    - (b) if a matter is settled or de-listed more than 21 days before the first day of trial, no brief fee is charged.

16 B

- 3.5 Ten percent (10%) will be added to the total of each memorandum of fees rendered to take into account the Goods and Services Tax.
4. You must pay me the cost of any travel, accommodation and incidental expenses in connection with any attendance outside Sydney.
  5. If a fixed costs provision under the *Legal Profession Uniform Law* (NSW) ('the Uniform Law') applies to particular legal services within the scope of this agreement, that provision shall apply to those particular services instead of the fees set out above.
  6. The billing arrangements are that I will bill you periodically at my discretion or at your request. Each tax invoice is payable within 30 days. I will provide bills to you by email on the basis that you have consented to receiving bills sent electronically, unless otherwise advised by you.
  7. Interest will be charged on unpaid legal costs after 30 days from the date of a tax invoice issued by me. Interest will be charged at the rate referred to in rule 75 of the *Legal Profession Uniform General Rules 2015* ('the Rules').
  8. The obligations of your firm under this Costs Agreement are personal and do not depend on the solicitors being put in funds by a client.
  9. I may review the above rates and other terms if, more than six months after the date of this agreement, my normal rates or other terms differ from those set out in this agreement.

This costs agreement is made pursuant to section 180 of the Uniform Law. Part 4.3 of the Uniform Law applies to this costs agreement.

Subject to the New South Wales Bar Rules, either of us may terminate my retainer at any time by notice in writing. Any termination does not affect your liability to pay any outstanding fees or expenses.

The information set out above should be sufficient to enable you to comply with section 175(1) of the Uniform Law, having regard to your knowledge of the matter and your own professional experience and skill.

If you are agreeable to my providing any legal services to you on the cost basis above, please let me know as soon as you receive this letter. If I do not hear from you within 7 days, I will assume that the terms are acceptable.

This costs agreement between you and me will not affect any immunity from suit which either of us may have in relation to advocacy or connected work according to the general law and no term will be implied into this agreement which in any way derogates from any such immunity.

This costs agreement does not address matters such as cancellation fees and reimbursement of expenses. I reserve the right to enter into negotiations with you in relation to cancellation fees and reimbursement of expenses.

This is not an agreement for the provision of legal services.

I look forward to working with your firm and client on this matter and request that you provide your client with a copy of this letter for its information.

Dear Anthony,

**Bruce Lehrmann v Lisa Wilkinson and anor FEDERAL COURT OF  
AUSTRALIA proceedings No NSD 103/2023**

1. I refer to your proposed brief in the above matter.
2. This letter serves to satisfy the disclosure requirements imposed on me by law. This letter constitutes an offer to enter into a costs agreement with your firm pursuant to s 180(1)(c) of the *Legal Profession Uniform Law* (NSW) (the Uniform Law) or other applicable legislation.<sup>1</sup>
3. For the avoidance of doubt this fee disclosure covers legal services I may provide to you in advising or appearing for your client Lisa Wilkinson in relation to the above proceedings or any appeal or other proceeding that may arise from those proceedings.
4. The basis upon which I propose to provide legal services to you in this matter is as follows:
  - a) Work involved:
    - i) Advise and appear as junior counsel to Sue Chrysanthou SC in relation to the above proceedings for Lisa Wilkinson;
    - ii) any other legal work at your instructions that may result in the

---

<sup>1</sup> Or s 322(1)(c) of the *Legal Profession Act* (NSW) 2004 (LPA) if your firm was first retained by the client in relation to this matter prior to 1 July 2015.

*Liability limited by a scheme approved under Professional Standards Legislation*

course of this retainer for your client.

b) Estimated amount of costs:

- i) I estimate my time to the hearing of an extension of time application to be 3 days of my time below until that application including: 1 day for defence and associated work; 1 day preparation for extension and application; and 1 day appearance for extension application.
- ii) The length of defamation proceedings can be variable based on interlocutory steps and the potential to plead justification by either defendant and the number of witnesses that may be required. The amount of work I perform will depend on delegation from senior counsel, the forensic decisions that are made and the status of the application for an extension of time. It is not possible to give an estimate for trial but in my experience a trial without justification is likely to take about 5 days court time and a trial with justification will likely exceed 10 days. Time for preparation will likely equal court time. I trust with your knowledge of the matter and extensive litigation experience with my rates below and the time estimates above you can satisfy your legal obligations. Please let me know if you require more information.

c) Basis on which fees will be calculated:

- i) \$350 per hour for all time properly spent (including waiting time at Court and travelling time to visit outside the Sydney CBD on the matter), with items or daily totals rounded up or down to the nearest quarter hour, but subject to the following minimum charges:

(A)\$350 for work on a day with an attendance for conference,  
interview, examination or other non-telephone

*Liability limited by a scheme approved under Professional Standards Legislation*

attendance, or Court appearance;

(B) \$1750 on a day with an appearance on any contested interlocutory motion, application or directions that exceeds two hours in Court;

(C) \$3500 on a day for any appearance on Trial or final hearing irrespective of length, or any contested interlocutory appearance that requires my appearance both before and after the luncheon adjournment. This minimum fee applies as a maximum fee for all legal work done on this matter on the calendar day of the appearance.

- ii) I will charge all disbursements and incidentals to you in full, including GST. Such disbursements may include all reasonable costs necessary for me to travel outside Sydney CBD in connection with this matter, including airfares, taxis, accommodation, meals and other expenses but does not include photocopying, printing and telephone calls.
- iii) The amount of any applicable goods and services tax, which shall be added to each of the above.
- iv) If a fixed costs provision under the Uniform Law applies to particular legal services within the scope of this agreement, that provision shall apply to those particular services instead of the fees set out above.
- v) These are the rates that I propose to charge until 31 December 2023. If the matter runs past that date, I may seek to increase my rates at that time. I reserve the right to review these rates periodically, and in particular to notify you in writing (including by email) of new proposed rates to take effect at a specified date (being the start of a

*Liability limited by a scheme approved under Professional Standards Legislation*

new calendar year or a new financial year, or any other date after 31 December 2023 with not less than 30 days' notice). You may accept such proposed new rates, as a variation to this costs agreement, in the same ways as you may accept this costs agreement.

- d) Your firm is responsible for payment of my fees and expenses, including GST. This liability is not contingent on a third party putting you in funds or on the receipt of party/party costs (if any) from the other party.
- e) I will bill on completion of the work: (a) monthly; (b) at my discretion; or (c) when you request. The invoice will become due and payable 30 days after issue to you. You agree to receive such memorandum electronically in pdf format by email.
- f) Interest is charged from the date of a successful outcome as defined in (e) until payment at a rate equal to the Cash Rate Target rate published by the Reserve Bank increased by two percentage points<sup>2</sup>, but interest is waived if fees are fully paid within 30 days of invoice.
- g) You warrant that:
  - i) you are a law practice under the Act;
  - ii) you are and shall remain authorised to receive on behalf of any client any disclosure that I may be required to make to the client under the Act and shall pass on any such disclosure to the client.
- h) This agreement is subject to the Legal Profession Uniform Conduct (Barristers) Rules 2015, as amended from time to time.
- i) My liability is limited by a scheme approved under Professional Standards Legislation. This costs agreement between you and me will also not affect any immunity from suit which either of us may have in

---

<sup>2</sup> Pursuant to s 195 of the Uniform Laws, or s 321 of the LPA, if your firm was first retained by the client in relation to this matter prior to 1 July 2015.

*Liability limited by a scheme approved under Professional Standards Legislation*

relation to advocacy or connected work according to the general law and no term will be implied into this agreement which in any way derogates from any such immunity.

- 2) The above information should enable you to comply with your disclosure obligations under ss 174 and 175 of the Uniform Law, having regard to your knowledge of the matter and your own professional experience.<sup>3</sup> Should you require further information from me to comply with your costs disclosure obligations to yourself, please let me know. In the absence of any further request from you, I will assume that you regard the information I have provided as sufficient.
- 3) This letter does not create an obligation on my part to provide legal services or on your part to retain or continue to retain me. Rather, I agree to charge the rates set out above and you agree to pay for my legal services at those rates. You may accept this offer in writing or by continuing to instruct me in the matter.
- 4) Subject to the New South Wales Bar Rules, either of us may terminate my retainer at any time by notice in writing. Any termination does not affect your liability to pay any outstanding fees or expenses.
- 5) Your firm may accept this proposed costs agreement in writing (including by email from you) or by the provision of further instructions after your receipt of this letter.

Please contact me on 0421 022 556 should you have any questions in relation to these terms. I look forward to working with you on this matter.

Yours sincerely
