

Dear Ben,

I can imagine what you were doing with another lady (other than Emma) at Suite 991 Hyatt Regency in Sydney for 3 nights from Sunday 19 November to Wednesday 22 November? People saw you there. Its on your credit card and phone records.

Why are you risking everything that you have built in your life – your wife/marriage, your daughters/family, your career, your reputation?

Where is this affair taking you?

You need to stop and maintain your high standards and reignite your love/marriage with Emma. It is not too late.... yet. Try more marriage counselling. Save your marriage and your family please.
