working collaboratively with Industry partners and key stakeholders we will drive dynamic growth in the evolving container deposit sector.

With over 16 years of Senior Management experience in the Waste, Recycling, Water, Energy & Sustainability sectors I am a passionate leader of people and a great believer that by harnessing the power of a truly diverse collective exceptional outcomes are guaranteed.

I possess a strong desire to improve our living environment and have a proven track record of delivering meaningful outcomes for customers and communities alike through innovative sustainability and circular economy strategies.

Having held Senior Executive roles across of range of Companies and jurisdictions, I have sat on numerous boards and held Directorships in a diverse range of Companies.

Possessing both hard operational experience and complex P&L management experience and finely tuned Strategic acumen I possess strong and demonstrated leadership skills and work collegiately with peers and key stakeholders to achieve mutually agreed outcomes.
