Good afternoon Brittany,

Thank you for your email. My apologies in the delayed response. I understand your decision not to proceed with a police investigation at this time, you need to do what is right for you.

As discussed at the meeting we had on 8 April 2019, I have collected the closed circuit television footage from The Dock. As I am unaware of the bar you attended in the city following, I have not retrieved that footage.

What has been done in relation to the matter will remain on file and I will finalise the investigation.

Please note the AFP job reference number 6381473. As we discussed, you can decide to have this investigated in the future should you decide.

The information contained in this report is not to be disseminated to a third party or to be used in such a way as to prejudice an ongoing investigation by the AFP. Should any information provided in this report fall within the ambit of a freedom of information request, a subpoena, summons to produce or similar process, the AFP should be consulted before releasing information.

I really appreciate your time, professionalism and assistance with this complaint. You helped more than you know.

It's just not the right decision for me personally, especially in light of my current workplace demands.

Thank-you again for your candour and I apologise if I've taken up much of you time.

Kind regards,

Brittany
